

## **Fats, Oils and Grease Permitting Fees**

### **Fog Binder**

The FOG Program Binder must be available during an inspection. Failure to locate the binder during an inspection, whether misplaced or lost, will trigger the issuance of a new binder. The \$50 replacement cost will be billed to the FSE at the time of replacement

### **Billing Issues**

FOG program billing or invoice issues, i.e. permit fees or noncompliance fees, can be referred to the Orange County Sanitation District's Source Control Division (Merrill Seiler at 714-593-7436), or Revenue Division (James Owens at 714-593-7574).

### **Permitting Fees**

A FOG Wastewater Discharge Permit of two-year duration is \$200.

### **Non-compliance Fees**

The General Noncompliance Fee for District follow-up activities due to permit, ordinance, or regulatory noncompliance is \$100 per event.
