Ever wanted to observe an audit?

Here's your chance! As part of the certification process, the OCSD Biosolids Management System will undergo an independent, third-party audit April 16 - 19.

The auditor, from [DEKRA Certification, Inc.](#), will examine processes and interview staff in regards to plant operations and program outreach.

If you would like to observe part of the audit or provide input to the auditor, contact [Rachel Van Exel](#) at (714) 593-7407.

recognition we receive as a leader in wastewater treatment can only happen with the hard work of our committed, passionate and professional staff.

Our employees are here for you 24/7, 365 days a year ensuring the health and safety of our community. We take our job very seriously and take enormous pride in our work. Why is it so important to us? Take a close look at our faces; we may live next door to you or down the street. We raise our children or our grandchildren here. We swim and surf at the beach we work to protect. We are part of the community we serve.
