

DECEMBER 2018
FLSA: EXEMPT

CONTRACTS SUPERVISOR

This class specification indicates, in general terms, the type and level of work performed as well as the responsibilities of employees in this classification. The job functions described are not to be interpreted as being all-inclusive to any specific employee.

DEFINITION

Under general direction, supervises, assigns, reviews, and participates in the work of staff responsible for providing difficult and complex professional, technical, and administrative support related to the activities of contract administration services; performs and oversees the most complex contracts; manages the effective use of divisional resources to improve organizational productivity and customer service; provides highly complex and responsible support to management in areas of expertise; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision or direction from the assigned supervisory and/or managerial staff. Exercises direct and general supervision over assigned professional, technical, and administrative support staff.

CLASS CHARACTERISTICS

This classification is the supervisory level class within the contracts administration function that exercises independent judgment on diverse and specialized contract administration activities, operations, and programs and has significant accountability and ongoing decision-making responsibilities associated with the work. The incumbent organizes and oversees day-to-day engineering, CIP, and other specialized and complex contract administration activities and services, ensures work quality and adherence to established policies and procedures, and performs the most technically complex tasks of the assigned area. This class is distinguished from the Contracts and Purchasing Manager in that the latter has management authority in planning, organizing, and directing the full scope of professional contracts, purchasing, and materials control operations within the department.

EXAMPLES OF ESSENTIAL JOB FUNCTIONS (Illustrative Only)

The following essential job functions are typical for this classification. Incumbents may not perform all of the listed job functions and/or may be required to perform additional or different job functions from those set forth below to address business needs and changing business practices.

- Plans, prioritizes, assigns, supervises, reviews, and participates in the work of staff responsible for Engineering, CIP, and other contract solicitation, contracts development, and legal consultation.
- Carries out the District's safety program; ensures subordinates follow safety policies in work methods and procedures; enforces proper safety precautions while working in dangerous situations; educates employees on rules, regulations, safe work habits and potential hazards presented by their work environment.
- Establishes schedules and methods for providing contract services; identifies resource needs; reviews needs with appropriate management staff; allocates resources accordingly.

- Participates in the development of policies and procedures; monitors work activities to ensure compliance with established policies and procedures; makes recommendations for changes and improvements to existing standards and procedures.
- Recommends and assists in the implementation of goals and objectives; coordinates with team members to develop and implement approved policies and procedures.
- Participates in the selection of assigned staff; provides or coordinates staff training; works with employees to correct deficiencies; implements discipline procedures.
- Develops, maintains, and updates a detailed Contracts Administration plan for full construction, CIP, engineering, Professional Design Services program, and other District services.
- Provides assistance and guidance to assigned staff during the development of contracts.
- Provides review comments and guidance to Design-Build consultants and helps with formulating evaluation and selection strategies in order to award contracts.
- Enforces District legal and policy provisions in the realm of complex contracts; provides first responder solution for legal advice on all matters pertaining to contracts.
- Acts as District signatory for Engineering, CIP, and other contracts; acts as the liaison between Engineering, Purchasing, and various committees and task forces, as well as between the District and General Counsel on legal matters related to contracts.
- Actively attends District's Committee and Board meetings providing expertise and explanation on contract issues.
- Oversees the solicitation and contracts portion of the District's federal grants program.
- Participates in the preparation and administration of the assigned program budget; submits budget recommendations; monitors expenditures.
- Tracks contracts to ensure conformity to contract requirements; ensures conformity and compliance with District policies, procedures, and coordinates plans of action.
- Participates in the preparation and administration of the assigned program budget; submits budget recommendations; monitors expenditures.
- Performs the most technical and complex tasks of the work unit; prepares analytical and statistical reports on operations and activities.
- Attends and participate in professional group meetings; stays abreast of new trends and innovations in the field of contract administration; researches emerging products and enhancements, and project delivery methods, and their applicability to District needs.
- Performs related duties as assigned.

QUALIFICATIONS

Knowledge of:

- Principles and practices of employee supervision, including work planning, assignment, review and evaluation, and the training of staff in work procedures.
- Operations, services, and activities of an engineering and capital improvements contracts administration program.
- Methods and techniques of conflict resolution and negotiation.
- Methods and techniques of contract development, price analyses, negotiation, and administration.
- Principles and practices of contract law as well as legal language and terminology.
- Advanced principles and applications of critical thinking and analysis.
- Materials, supplies, and equipment typically used in construction, maintenance, and operation of wastewater facilities.
- Principles and practices of public agency budget development and administration and sound financial management policies and procedures.
- Principles of insurance and contract bond applications.
- Operational characteristics of financial information systems.
- Applicable Federal, State, and local laws, regulatory codes, ordinances, and procedures relevant to assigned area of responsibility.

- Modern office practices, methods, and computer equipment and applications related to the work, including word processing, database, and spreadsheet applications.
- English usage, grammar, spelling, vocabulary, and punctuation.
- Techniques for effectively representing the District in contacts with governmental agencies, community groups, and various business, professional, educational, regulatory, and legislative organizations.
- Principles and practices of customer service and techniques for effectively communicating with the public, vendors, contractors, and District staff.

Ability to:

- Plan, organize, schedule, assign, review, and evaluate the work of and train staff.
- Promote individual growth and development of assigned staff in the performance of work assignments.
- Effectively resolve conflict within assigned area of responsibility.
- Recommend and implement goals, objectives, and practices for providing effective and efficient services.
- Evaluate and recommend improvements in operations, procedures, policies, or methods.
- Effectively communicate, negotiate and influence behavior at all levels both internally and externally.

- Make sound, independent decisions within established policy and procedural guidelines.
- Maintain confidentiality in maintaining critical and sensitive information, and be discreet in handling and processing confidential information and data.
- Effectively represent the department and the District in meetings with governmental agencies, contractors, vendors, and various businesses, professional, regulatory, and legislative organizations.
- Prepare clear and concise reports, correspondence, policies, procedures, and other written materials.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; organize own work, set priorities, and meet critical time deadlines.
- Operate office equipment including computers and supporting word processing, spreadsheet, and database application.
- Ensure adherence to safe work practices and procedures in the workplace.
- Operate a motor vehicle and travel to various District sites, projects and/or meetings.
- Effectively communicate in person, over the telephone, and in writing.
- Use tact, initiative, prudence, and independent judgment within general policy and legal guidelines.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Employment Standards:

Any combination of education and experience that provides the required knowledge, skills, and abilities may be qualifying as determined by OCSD.

1. Bachelor's degree from a college or university accredited by the U.S. Department of Education, with major coursework in business or public administration, accounting, finance, contract law, or a related field; AND
2. Six (6) years of responsible work experience in contracts administration experience, particularly in engineering, including four (4) years at a level comparable to a Principal Contracts Administrator, or two (2) years of supervisory experience.

Licenses and/or Certifications:

- Valid California Class C Driver's License.

Disaster Service Workers:

All Orange County Sanitation District employees are designated Disaster Service Workers through state law (California Government Code Section 3100-3109). Employment with the Orange County Sanitation District requires the affirmation of a loyalty oath to this effect. Employees are required to complete all related training as assigned, and to return to work as ordered in the event of an emergency.

PHYSICAL DEMANDS

Must possess mobility to work in a standard office setting and use standard office equipment, including a computer; vision to read printed materials and a computer screen; ability to travel to various District sites, projects and/or meetings; and hearing and speech to communicate in person, before groups, and over the telephone. This is primarily a sedentary office classification although standing in and walking between work areas may be required. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information. Employees must possess the ability to lift, carry, push, and pull materials and objects weighing up to 25 pounds.

ENVIRONMENTAL ELEMENTS

Employees work in an office environment with moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.
