

# STATE COLLEGE SEWER CONSTRUCTION

Orange County Sanitation District

## CONSTRUCTION ALERT – CLIFPARK WAY

For more information  
call the  
**24-hour  
Construction Hotline at  
(657) 208-7900**

**WHAT:** Intersection Work

**WHEN:** Starting March 25<sup>th</sup> thru April, 2020

*\*Dates and times are subject to change due to unforeseen operational factors or inclement weather.*

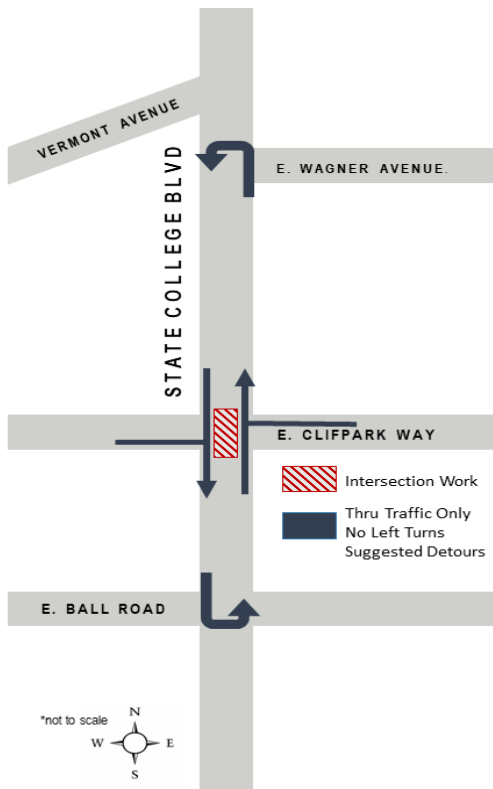

**WHERE:** State College Blvd. at Clifpark Way

**HOW:** The intersection of Clifpark Way will be closed to perform street restoration work including base paving.

There will be temporary turn restrictions onto or from Clifpark Way. Through lanes on State College Blvd. will remain open.

U-turns can be made at Wagner Ave. and Ball Rd.

We understand that this may be disruptive but assure you it is the last activity needed to complete this very important project. Once this work is completed, the regional sewer line will be in service for the next 50 years.

As a reminder, this project is replacing four miles of regional sewer on State College Blvd. from Orangewood Ave. to just south of the 91 freeway in the City of Anaheim.

*Thank you for your continued patience and understanding.*

If you would like additional information, please call our dedicated **Community Liaison** on the **Construction Hotline (657) 208-7900** or e-mail **ConstructionHotline@ocsd.com**
