Night Work is Necessary...

But we understand its also an inconvenience. Below are a few steps we are taking to minimize impacts to the community:

- Lights necessary to perform the work will be pointed directly at work and away from residential buildings.
- Noisier activities will be performed earlier in the evening.
- Crews have been instructed to keep voices down and all noise to a minimum.

As a reminder, this project is replacing four miles of regional sewer on State College Blvd. from Orangewood Ave. to just south of the 91 freeway in the City of Anaheim.

WHAT: Nighttime Waterline Relocation

WHEN: Ongoing thru April 2020
Mon – Sat. 8 p.m. to 6 a.m.

**Dates and times are subject to change due to unforeseen operational factors or inclement weather.*

WHERE: State College Blvd. and Westport Dr. Intersection

HOW: As part of the State College Sewer Construction Project, a City of Anaheim waterline is being relocated at the State College/Westport Avenue intersection. This work is being done to coincide with the sewer construction and minimize disruption to the community. Waterline work is anticipated to last approximately 4 weeks.

This work will limit access to Westport Avenue from State College and vice versa. **To access Westport Dr. please use Peregrine Street off Lincoln Avenue.** Through lanes on State College Blvd. will remain open.
