**MEMORANDUM OF UNDERSTANDING  
BETWEEN THE  
ORANGE COUNTY SANITATION DISTRICT  
AND THE  
INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL 501  
FOR THE  
OPERATIONS AND MAINTENANCE UNIT**

In accordance with the provisions of California Government Code Sections 3500, et seq., and Resolution No.99-24 of the Joint Board of Directors, the District's authorized representatives have met and conferred in good faith with representatives of the International Union of Operating Engineers, Local 501, for the District's Operations and Maintenance Unit. These meetings have resulted in an agreement and understanding to recommend that the employees represented by Local 501 accept these terms and conditions, and that the Board of Directors adopt by Resolution the changes and additions to the wages, hours, and conditions of employment for the employees represented by Local 501 as set forth in this Agreement.

**ARTICLE 1. RECOGNITION**

- 1.1. This Agreement is entered into between the Orange County Sanitation District, referred to hereinafter as the District, and the International Union of Operating Engineers, Local 501, AFL-CIO, referred to hereinafter as Local 501, as a mutual recommendation to the Board of Directors of the District of those wages, hours of work, and terms of conditions of employment which are to be in effect at 12:01 a.m. on July 1, 2016.
- 1.2. The District recognizes the International Union of Operating Engineers, Local 501, AFL-CIO, which was certified on October 10, 1985, as the exclusive recognized employee organization for matters within the scope of representation for the following classifications, as set forth in Exhibit A (attached hereto and incorporated by reference), as well as additional classes as may be added hereafter by the District.

**ARTICLE 2. DURATION**

- 2.1. This Agreement will be binding on the District and Local 501 when approved and adopted by the District's Board of Directors. This Agreement will terminate on June 30, 2019. Any issue regarding the question of representation shall be brought pursuant to the Employer-Employee Relations Resolution (EERR), Resolution No. OCSD 99-24.

**ARTICLE 3. SUCCESSOR AGREEMENT**

- 3.1. Local 501 will submit in writing its initial proposal for a successor agreement 60 days prior to the expiration date of this Agreement.

**ARTICLE 4. LOCAL 501 ACCESS**

- 4.1. The Local 501 representative will have access to the District's facilities during working hours for the purpose of assisting Unit employees in processing grievances or investigating matters arising out of the application of provisions of this Agreement. The Local 501 representative must obtain authorization for each visit in advance from the Director of Human Resources, or designee.
- 4.2. Local 501 will provide the Director of Human Resources, or designee, with a list of Representatives who are authorized to request access under this Article, and will notify the Director of Human Resources, or designee, of any changes in that list.

- 4.3. Local 501 access will not interfere with District operations, or with the work of employees in any manner. The District reserves the right to restrict access in certain areas designated confidential or secure.

## **ARTICLE 5. LOCAL 501 RIGHTS**

- 5.1. Local 501 may designate fourteen (14) employees to act as stewards for employees covered by this Agreement. Local 501 will furnish the Director of Human Resources, or designee, with the names of employees selected as stewards and will update the list as necessary. An alternate steward may be designated to act in the absence of the regular steward. Employees not listed on the roster of stewards provided to the District by the Local 501 may not act as representatives.
- 5.2. For purposes of meeting and conferring, Local 501 will be allowed to designate two (2) stewards to attend (additional stewards may be added by mutual agreement of the parties). An additional employee, who may or may not be a designated steward, may be invited to attend to provide subject matter knowledge.
- 5.3. Stewards will not perform non work-related duties on work time without the prior approval of their immediate supervisor. Neither the District nor the Local 501 will interfere with, intimidate, restrain, coerce or discriminate against employees because of the exercise or non-exercise of their rights to engage in Local 501 activity.

## **ARTICLE 6. DISTRICT RIGHTS**

- 6.1. District inherent rights, powers, functions, duties, responsibilities and authority related to a managerial or administrative character are reserved to the District in its exercise of management decision-making, except as specifically modified by the express provisions of this Memorandum. District rights include, but are not limited to, the exclusive right to consider the merits, necessity or organization of any service or activity provided by law, or administrative order; determine the mission of its constituent departments, commissions and boards; set standards of service, determine the procedures and standards of selection for employment and promotion; establish and implement performance standards; direct its employees; take disciplinary action for proper cause; layoff employees from duty because of lack of work or lack of funds; maintain the efficiency of District operations; determine the methods, means and personnel by which District operations are to be conducted; determine the content of job classifications; classify and reclassify positions; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.
- 6.2. District retains all authority and rights conferred on it by law, or other legal sources, except to the extent that such authority is explicitly waived by the express terms of this Agreement. District exercise of its management rights hereunder shall not be subject to appeal or meeting and conferring, however, that the exercise of such rights does not preclude Local 501 from appealing or meeting and conferring the practical consequences or impacts that District decisions have on wages, hours, and other terms and conditions of employment.

## **ARTICLE 7. NONDISCRIMINATION IN EMPLOYMENT**

- 7.1. There will be no unlawful discrimination in the application of the provisions of this Agreement with regard to actual or perceived race, color, religion, national origin, ancestry, sex, gender, gender identity, gender expression, sexual orientation, age, physical or mental disability, medical condition, genetic information, marital status, or military or veteran status, or any other lawfully protected class. To the extent required by law or by the District's rules or regulations, this provision of the Agreement will be applied to all members of the Unit without regard to any protected classification.

## **ARTICLE 8. SMOKE-FREE WORK ENVIRONMENT**

- 8.1. The District endorses and supports the right of all employees to work in a healthy and safe environment free of recognized hazards. In view of the hazards associated with smoking, and the potentially harmful effect it has on the health and well being of District employees and their families, smoking and the use of tobacco

(cigarettes, cigars, e-cigarettes ["vaping"] and related tobacco products and technologies) is not acceptable within District facilities, and may occur only in areas posted for smoking.

## **ARTICLE 9. SAFETY**

- 9.1. It is the duty of the District to provide and maintain a safe place of employment. Local 501 will cooperate by encouraging all employees covered by this Agreement to perform their work in a safe manner. It is the duty of all employees covered by this Agreement, in the course of performing their assigned duties, to be alert to unsafe practices, equipment, and conditions, and to follow the safety regulations and requirements of the District, and to report any unsafe practices or conditions to their immediate supervisor. An employee will not be required to perform work that is unsafe.
- 9.2. The District will establish a Safety Committee that will include up to six (6) members of Local 501. The committee's recommendations are advisory. The committee will meet at least quarterly; however, additional meetings may be scheduled by either Local 501 or the District.

## **ARTICLE 10. DISCIPLINE AND DISMISSAL**

- 10.1. Discipline may occur when any of the following actions are taken for just cause with respect to any employee in the Unit: verbal reprimand; written reprimand; suspension without pay; reduction in pay, demotion to a classification with a lower pay grade, or dismissal.
- 10.2. Dismissal, for purposes of this Article, is the separation of a non-probationary employee initiated by the District for just cause.
- 10.3. A Notice of Intent is not required when the disciplinary action involves a verbal reprimand or written reprimand.
- 10.4. A Notice of Intent is required and will be given to an employee whenever the disciplinary action involves suspension without pay, reduction in pay, demotion to a classification with a lower pay grade, or dismissal. The notice will be given to the affected employee either by delivery in person or by Certified Mail sent to the employee's last known address. Such personal delivery or mailing will be presumed to provide actual notice to the affected employee. The Notice of Intent will indicate the date on which it was personally delivered or deposited in the mail, which will be the date of issuance.
- 10.5. The Notice of Intent will contain the following: (1) a description of the disciplinary action intended and the effective date of the action; (2) the reasons for the proposed action; (3) a copy of the charges and materials upon which the action is based; and, (4) a statement of the employee's right to respond, either verbally or in writing to the person initially imposing the discipline, or to a District management representative with authority to make an effective recommendation on the proposed action, the person to whom any response must be directed, and the fact that such response must be received within ten (10) business days of the date of issuance of the notice. The Notice will also advise the employee of the right to representation.
- 10.6. Prior to the effective date of the proposed disciplinary action, the employee will be given an opportunity to respond either verbally or in writing to a management representative with authority to make an effective recommendation on the proposed action. After review of an employee's response, the District will notify the employee in writing of the action that will be taken. Such action may not involve discipline more severe than that described in the Notice of Intent; however, the District may reduce discipline without further notice. Further clarification of the disciplinary policies and procedures are covered in the District's Personnel Policies and Procedures Manual.
- 10.7. Dismissal will be preceded by at least one (1) written reprimand, except in those situations in which the employee knows or reasonably should have known that the performance or conduct was unsatisfactory. Such performance or conduct may involve, but is not limited to, dishonesty, possession, use, sale or being under the influence of drugs or alcohol, theft or misappropriation of District property or funds, fighting on the job, insubordination, acts endangering people or property, or other serious misconduct. The District may substitute documented suspensions without pay for written reprimands.

- 10.8. If a Notice of Intent is upheld and the disciplinary action is imposed, the employee may request a post-disciplinary hearing. The request must be submitted to the Director of Human Resources, or designee, within ten (10) business days following the effective date of the disciplinary action (for suspensions, the effective date will be the first business day following the final day of the suspension). The Director of Human Resources, or designee, will schedule a post disciplinary hearing with the General Manager or a hearing officer selected by the General Manager. The hearing officer may not be an employee of the District. The hearing officer will provide a written, advisory decision to the General Manager. The General Manager may uphold the disciplinary action that has been taken or may reduce such discipline without the issuance of a further Notice of Intent. The decision of the General Manager will be final.
- 10.9. Disciplinary actions will be recorded in employee performance reviews. All disciplinary action documentation, except verbal reprimand documentation, will be maintained in an employee's Personnel File in the Human Resources Department. Verbal reprimand documentation will be maintained in the supervisor's employee files. Supervisors shall inform management staff when a verbal reprimand is to be implemented. If after twenty-four (24) months from implementation, there have been no recurrences of similar incidents; supervisors shall destroy the verbal reprimand documentation.
- 10.10. Written reprimands may be removed from an employee's personnel file twenty-four (24) months subsequent to the date of the issuance if there has been no recurrence of a similar incident during the period. If management agrees to remove the disciplinary action documentation from an employee's personnel file, such documentation will be retained in a separate file by the Human Resources Department for the purpose of showing that progressive discipline has been followed or in support of District proposed discipline.
- 10.11. Verbal reprimands and written reprimands may only be reviewed under this Agreement through the Problem Solving Procedure. Nothing in this Article will be construed as a waiver of any statutory or constitutional rights.
- 10.12. A reduction in pay or a demotion to a classification with a lower pay grade that is not a result of performance deficiencies (for example, reclassifications, "bumping" associated with layoffs, reasonable accommodation) will not be considered discipline.

## **ARTICLE 11. GRIEVANCE PROCEDURE**

- 11.1. A grievance is any complaint that management has violated a specific provision of this Agreement, except that, in accordance with Article 10 above, discipline, which requires a Notice of Intent, may not be reviewed under this Grievance Procedure.
- 11.2. A grievance may be brought to the attention of the District by an individual employee within the Unit or by the Local 501. The District may not bring a grievance through this procedure. Grievances brought by two (2) or more employees, and concerning the same incident, issue, or course of conduct, or multiple grievances brought by the same employee may, upon mutual agreement of the District and the Local 501, be consolidated for the purposes of this procedure.
- 11.3. Employees are encouraged prior to bringing forward a formal grievance, to discuss the issue with the Director of Human Resources, or designee, in an effort to bring about an informal resolution.
- 11.4. An employee may be self-represented or be represented by the Local 501 at all steps of the Grievance Procedure unless specifically agreed otherwise by the Local 501 and the employee. The District will provide a copy of all written grievance settlements to the Local 501. Any reference to days in this Article means business days, Monday through Friday, excluding recognized holidays.
  - 11.4.1. **Step 1.** An employee will submit his/her complaint in writing to his/her immediate supervisor, or designee, within ten (10) days of the occurrence of the event giving rise to the complaint, or within ten (10) days from the time that the employee became aware of such event. The supervisor, or designee, will attempt to resolve the issues surrounding the complaint, and respond in writing to the employee within ten (10) days.
  - 11.4.2. **Step 2.** If the grievance is not settled at Step 1, it may be submitted in writing to the employee's Division Manager, or designee. This request for formal review must be

presented on a form provided by the District within ten (10) days of the conclusion of Step 1. A copy of each written communication on a grievance will be filed with the Director of Human Resources, or designee. The written grievance must:

- 11.4.2.1. Identify the specific management act to be reviewed;
  - 11.4.2.2. Specify how the employee was adversely affected;
  - 11.4.2.3. List the specific provisions of the MOU that were allegedly violated and state how they were violated;
  - 11.4.2.4. Specify the remedy requested; and
  - 11.4.2.5. Provide the date of attempts at informal resolution and the name of the supervisor or individual involved.
- 11.4.3. The Division Manager, or designee, will respond in writing to the employee within ten (10) days after the date the grievance is received.
- 11.4.4. **Step 3.** If a grievance is not settled under Step 1 or Step 2, it may be presented to the employee's Department Director, or designee, for review and written response. The request for formal review must be presented on a form provided by the District within five (5) days of the conclusion of Step 1 or 2, and must contain the information specified in Step 2 above. A copy of each written communication on a grievance will be filed with the Director of Human Resources, or designee. The Department Director, or designee, will respond in writing to the employee within ten (10) days after the date the grievance is received.
- 11.4.5. **Step 4.** If the grievance cannot be resolved under Step 3, it may be presented to an Assistant General Manager, or designee, within five (5) days from the date the Step 3 finding was issued. The Assistant General Manager, or designee, will respond in writing to the employee within ten (10) days after the date the grievance is received.
- 11.4.6. **Step 5.** Appeal to the General Manager, or designee, is the final step in the Grievance Procedure. If the grievance cannot be resolved under Step 4, it may be presented to the General Manager, or designee, within five (5) days from the date the Step 4 finding was issued. The General Manager, or designee, shall respond in writing to the employee within ten (10) days after the date the grievance is received. The decision of the General Manager, or designee, is final.
- 11.5. General Provisions. An employee will be given reasonable time off without loss of pay to present and process a grievance. If an employee is represented by a Local 501 steward, the employee representative will be given reasonable time off without loss of pay to perform this responsibility. Absence from work will be approved only if it does not cause disruption to District operations. However, if the time requested cannot be provided, an alternate time will be arranged.
- 11.6. Failure of a management representative to respond within the appropriate time limit will provide a basis for the employee appealing to the next step. If a grievance is not presented or appealed within the time limits, it will be considered resolved on the basis of the preceding response. The Director of Human Resources, or designee, may be petitioned in writing to waive the step or time requirements provided sufficient cause exists. Time limits may also be extended at any step upon mutual agreement of the parties.
- 11.7. Resolution may be agreed upon at any stage of the grievance process. However, the Local 501 will be notified prior to the resolution of any formal grievance matter.

## ARTICLE 12. PROBLEM SOLVING PROCEDURE

- 12.1. Employees may bring problems to the attention of District managers through the Problem Solving Procedure. This procedure was developed to encourage and facilitate the resolution of employee

concerns in a responsive and fair manner, and may be used to attempt to resolve issues that may not be subjected to the Grievance Procedure. Any reference to days in this Article means business days.

- 12.2. **Step 1:** An employee will submit his/her issue that is not subject to the Grievance Procedure in writing to his/her supervisor, or designee, within ten (10) days of the occurrence of the event giving rise to the complaint or within ten (10) days from the time that the employee became aware of such event. The supervisor, or designee, will review the situation or decision, and provide a written response within five (5) days from the date they were notified of the problem.
- 12.3. **Step 2:** If the problem is not resolved to the employee's satisfaction, a written statement concerning the problem may be filed with the employee's Division Manager or designee, within ten (10) days of receipt of the supervisor's decision. The employee raising the issue will be provided a written response from the Division Manager, or designee, within ten (10) days after their statement is received.
- 12.4. **Step 3:** If a problem is not settled under Step 1 or Step 2, it may be presented within ten (10) days to the Director of Human Resources, or designee, who, at their discretion, may form a Work Issues Committee, comprised of the employee's Department Director, or designee, another management representative and two (2) Local 501 representatives. The Work Issues Committee may convene to cooperatively review and develop recommendations for solution(s) to the problem. The Director of Human Resources, or designee, may utilize the committee's recommendation(s) to respond in writing to the employee within fifteen (15) days after the date the problem is received.
- 12.5. Time limits may be extended for cause upon mutual consent of the parties, and the decision of the Director of Human Resources, or designee, is final.

- 18.3. If the call back period has ended and the employee is called back to work (whether within or outside of the 3-hour minimum timeframe), a new call back period will be started and the employee will be eligible for at least the 3-hour minimum call back pay.

- 18.4. If the call back period has not ended and the employee is called back to work (whether within or outside of the 3-hour minimum timeframe), the call back period and associated pay will continue but the employee will not be eligible for another 3-hour minimum call back pay.

- 18.6. Call back work performed by employees on standby assignments is intended for activities that are imperative and not routine in nature, as determined by the applicable on-duty Operations Supervisor or designee.
  - 18.6.1. In some instances, if call back work can be postponed for several hours, the Operations Supervisor or designee will do so as a courtesy to the employee and to allow for the work to be performed during daylight or day shift. For instance, a breakdown occurs at 3:00 a.m. but work can be postponed a few hours so the standby employee can be called in at 6:00 a.m.

Employees who volunteer or are mandated to be on the standby list shall be competent, experienced, journey level employees. Employees who are on their initial probation shall not be eligible for standby.

Before the renewal of any District's sponsored health insurance plan, the parties agree to meet and confer as to changes in the plan.

20.4.2. The HDHP will be accompanied by a Health Savings Account (HSA) to pay for qualified medical expenses. OCSD will use a portion of the cost savings in premiums to fund the HSA accounts during active employment only. The HSA will be funded with the savings generated annually by calculating the difference between the District's share of the PPO and HDHP premiums. Exact HSA account funding will be calculated annually, prior to open enrollment, in an amount up to the difference in deductibles, not to exceed the District's aforementioned annual premium cost savings.

20.4.3. The District may reopen negotiations at any time during the term of the MOU to address the impact of the Affordable Care Act (ACA), provided that no change may be made by the District unless such change is either (1) mandated by the ACA or, (2) mutually agreed upon by the parties.

The specified periods and additional information about coverage is included in the District's long-term disability plan contract accession on the intranet.

20.8.3. No combination of disability or sick leave pay will result in more than an employee's regular rate of pay. District managers will attempt to evenly distribute overtime among employees based upon an employee's ability to perform the overtime work. For the purposes of overtime calculation, all time charged to unscheduled leave will not be counted as time worked. Pay for overtime will not occur until after work time (which includes scheduled leave) of forty (40) hours in a seven (7) day workweek is reached.

## **ARTICLE 23. PROBATIONARY PERIOD**

- 23.1. All new employees and employees who are reassigned or laterally transferred serve an initial probationary period beginning with the date of hire, reassignment or transfer and extending to at least the first day of the pay period following six months of employment without a break in service. Extended absence without pay, short-term and long-term disability and Workers' Compensation leave does not provide an opportunity to judge an employee's capability to meet performance expectations for a position, and thus the time spent on such leaves will not be included towards completion of the probationary period and may result in an extension.
- 23.2. All new employees who are hired in apprenticeship and/or trainee positions shall serve an initial probationary period beginning with the date of hire and extending to at least the first day of the pay period following the complete period of training for the position, without a break in service. Notices will be posted on the District's intranet.

If the employee does not pass the probationary period, the District shall return the employee to his or her previous position or an equivalent position. The promotional probation period may be extended by mutual agreement between the employee and District's management for up to ninety (90) days. If an employee is promoted during his/her initial probationary period, the period will be extended until at least the first day of the pay period six months after the effective date of the promotion.

27.2.5. Full-day time off requests with less than twenty-three (23) hours' notice shall be considered unscheduled. All other time off requests, including partial day time off requests, must be requested in accordance with the provisions of this Article and may be considered scheduled at management's discretion based on business needs.

Unscheduled time off must be accounted for by completion of an Unscheduled Time Off Report upon the employee's return to work. It is the responsibility of District's management to control the potential abuse of unscheduled time off privileges. Tardiness less than fifteen (15) minutes will not be deducted from the employees pay, but numerous occurrences will be addressed through the progressive discipline procedures. Employees who are more than fifteen (15) minutes tardy to work must use accrued time off to offset the time away from work. Tardiness of more than fifteen (15) minutes may be considered unscheduled time off based on excessive occurrences.

The accumulation of the sixth and seventh occurrence within a twelve (12) month period will result in a verbal warning. The eighth occurrence will result in a written warning. Employees who are charged with ten occurrences of unscheduled time off within a calendar twelve (12) month period will be subject to termination. A rolling (12) month calendar period will be utilized to measure absence occurrences. A "rolling" twelve (12) month calendar period is measured backward from the date the employee uses the leave. Absences of multiple consecutive days involving the same injury or illness will be considered a single occurrence. The District also has the right to discipline employees on the basis of total absences away from work.

27.3.4. Employees returning from an extended leave should notify their supervisor as soon as possible to facilitate personnel scheduling.

27.3.5. An employee who is required to attend scheduled service drill periods or perform other inactive duty reserve obligations is entitled to military leave without pay, not exceeding seventeen (17) calendar days per year, although the employee may, at his or her option, elect to use accrued leave time to attend the scheduled reserve drill periods or to perform other inactive drill period obligations. Employees who participate in weekend military drill duty are not eligible for leave with pay for such activity, but may have their regular work schedule changed to accommodate the required time off.

Immediate family member is defined as the employee's father, step-father, father-in-law, mother, step-mother, mother-in-law, brother, step-brother, sister, step-sister, husband, wife, domestic partner, biological child, adopted child, step-child, child of a domestic partner, grandchild, grandparent, foster parent, foster child, legal guardian, or any family member with whom the employee resides.

## ARTICLE 28.LEAVE-OF-ABSENCE WITHOUT PAY

- 28.1. It is the policy of the District to grant employees leaves-of-absence without pay under certain circumstances and in accordance with state and federal benefit entitlement laws. Except as stated below, employees will not receive compensation during an unpaid leave-of-absence. Employees will not be granted an unpaid leave of absence prior to exhausting all paid leave accrual balances, excluding employees protected by PDL (Pregnancy Disability Leave)/FMLA (Family and Medical Leave Act)/CFRA (California Family Rights Act) for their own serious health condition.
- 28.2. Using the prescribed forms, approved by District management, any full-time, including probationary, or part-time employees with at least fifty-two (52) weeks of service and at least twelve hundred fifty (1,250) hours of service, may be granted an FMLA or CFRA leave-of-absence without pay, not to exceed twelve (12) weeks in a rolling twelve (12) month calendar period. A “rolling” twelve (12) month period is measured backward from the date the employee uses the leave. A request for leave of absence without pay must be made upon prescribed forms in all instances where an employee is absent without pay for more than five (5) consecutive working days, or for absences of ten (10) working days or more when using paid sick leave accruals.
- 28.3. Substitution of Paid Leave
- 28.3.1. Employees who request FMLA or CFRA Leave for qualifying purposes other than the employee’s own serious health condition will be required to use all accruals before unpaid leave is granted. Paid time off will not accrue during any pay period that an employee is absent without pay for more than one (1) day.
- 28.3.2. Personal leave accruals may be used for the care of the employee’s father, step-father, father-in-law, mother, step-mother, mother-in-law, brother, step-brother, sister, step-sister, husband, wife, domestic partner, biological child, adopted child, step-child, foster child, legal ward, child of a domestic partner, grandchild, grandparent, foster parent, legal guardian, or any family member with whom the employee resides.
- 28.4. Permissible Uses
- 28.4.1. FMLA Leave. FMLA Leave may be used for:
- 28.4.1.1. The birth of a child or to care for a newborn of an employee;
- 28.4.1.2. The placement of a child with an employee in connection with the adoption or foster care of a child;
- 28.4.1.3. The care for the employee’s father, step-father, father-in-law, mother, step-mother, mother-in-law, brother, step-brother, sister, step-sister, husband, wife, registered domestic partner, biological child, adopted child, step-child, foster child, legal ward, child of a domestic partner, grandchild, grandparent, foster parent, legal guardian, or any family member with whom the employee resides who has a serious health condition, as defined in the Act;
- 28.4.1.4. The employee’s own serious health condition that renders the employee unable to perform the essential functions of his or her position, including incapacity due to pregnancy;
- 28.4.1.5. A qualifying exigency arising out of the fact that an employee’s family member is on covered active duty or called to covered active duty status in the Armed Forces. A qualifying exigency may include activities such as making arrangements for childcare, attending counseling relating to the active duty of the service member, or attending to farewell or arrival arrangements for the service member;
- 28.4.1.6. The care for the employee’s family member or “next of kin” service member of the United States Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty. This leave may consist of up to twenty-six (26) weeks of unpaid leave during a single 12-month period.

28.4.2. CFRA Leave. CFRA Leave may be used for:

28.4.2.1. The same purposes as FMLA Leave, including the care of a domestic partner or child of a domestic partner, and will run concurrently with FMLA Leave.

28.4.2.2. CFRA Leave may not be used for 1) an employee's incapacity due to pregnancy, 2) leave due to a qualifying exigency, or 3) to care for a family member or next of kin with a serious injury or illness incurred in the line of duty. However, incapacity due to pregnancy may entitle an employee to up to four (4) months of pregnancy disability leave under California's Pregnancy Disability Leave (PDL) law.

28.5. General Provisions

28.5.1. Requests for FMLA and CFRA Leave

28.5.1.1. Where the need for Leave is foreseeable, the District requests thirty (30) days advance notice.

28.5.2. Medical Certification

28.5.2.1. As a condition of FMLA or CFRA Leave because of a serious health condition, the District may require certification by the employee's attending physician in accordance with the Department of Labor (DOL) regulations.

28.5.3. Medical and Dental Premiums

28.5.3.1. During FMLA and CFRA Leave, the District will pay for medical and dental benefits at the same level as coverage would have been provided if the employee was not on leave. The employee will be required to pay his or her share of medical and dental premiums. Failure to submit a monthly co-payment, in full, within forty-five (45) days of the invoice date will result in loss of group coverage. Coverage will be reinstated upon return to active employment.

28.5.4. Reinstatement

28.5.4.1. Upon expiration of FMLA or CFRA Leave, the employee will be reinstated to the same or a comparable position unless the employee would not otherwise have been entitled to that position for reasons unrelated to such leave (e.g., lay-off), in which case the District's obligation to continue health and dental or other benefits will cease.

28.5.5. District Employment of Spouses/Domestic Partners

28.5.5.1. FMLA Leave. Married employees will be limited to a combined total of twelve (12) weeks FMLA or CFRA Leave in a rolling twelve (12) month calendar period for the care of a parent or newly born or placed child.

28.5.5.2. CFRA Leave. Married employees and employees in domestic partnerships will be limited to a combined total of twelve (12) weeks CFRA Leave in a rolling twelve (12) month calendar period for the care of a parent or newly born or placed child.

28.5.6. General Leave

28.5.6.1. Employees who have exhausted all paid time off accruals may request to be granted a general leave-of-absence by District management to attend to personal matters or for FMLA or CFRA qualifying events after the expirations of previously authorized leave.

28.5.6.2. During a general leave-of-absence, the employee will be required to pay both the District's and the employee's share of medical and dental premiums.

28.5.6.3. Failure to submit a monthly co-payment, in full, within forty-five (45) days of the invoice date will result in loss of group coverage. Coverage will be reinstated upon return to active employment.

28.5.7. Return to Work Policy

28.5.7.1. An employee who has been absent from work due to a medical reason may be subject to a Return-to-Work medical evaluation.

28.5.7.2. If it is determined that the job demands of the position last held by the employee are not compatible with the employee's restrictions (with reasonable accommodation if the employee is disabled within the meaning of the ADA/FEHA) and the employee is willing to return to work, placement in an alternative position, if available, will be considered. The employee will be re-classified as medically disqualified while alternative positions are being considered. Such time off will be without pay; however, the employee may elect to use accrued leave hours, such as vacation, sick or personal, to receive compensation. Placement of an employee in an alternative position requires a pre-placement medical evaluation for the alternative job.

28.5.7.3. If it is determined that the job demands of the position last held by the employee are not compatible with the employee's restrictions (and cannot be reasonably accommodated if the employee is disabled within the meaning of ADA/FEHA) and there is not an alternative position, or the employee's restrictions are not compatible with an alternative position, or the employee is not willing to return to work, the employee will be re-classified as medically disqualified and not permitted to work. Thereafter, the employee will be retired for disability, if eligible, or dismissed. Such dismissal will not imply disciplinary action for cause. If requested, the employee's file will indicate the employee left for personal reasons.

28.5.8. Bridge of Service

28.5.8.1. If an employee is dismissed per Section 28.5.7.3 and then is rehired to a position within the District within one (1) year, the District will bridge the employee's service date. Bridging of service procedures involve adding the total number of days away from work to the employee's original date of hire.

28.5.9. Failure to Return to Work

28.5.9.1. If, upon the expiration of FMLA or CFRA Leave, or any District-approved extension thereof including General Leave, an employee fails to return to work and no additional leave has been authorized, the employee will be considered to have automatically resigned from his/her position. In such cases, the employee will receive advance notification of the District's intent to implement an automatic resignation.

28.5.10. Compliance with Law

28.5.10.1. These leave-of-absence provisions will be interpreted and applied in a manner that is consistent with the provisions of FMLA, CFRA, ADA and all other laws. In the event there is a direct conflict between these provisions, as written or applied, the provisions of law will govern.

## **ARTICLE 29. CLASSIFICATION STUDIES**

29.1. An employee who believes his/her position is not properly classified may submit a written request to the Department Director asking that a classification study be conducted. The Department Director will acknowledge the request in writing and review the request for accuracy, and forward it to the Director of Human Resources, or designee, for consideration and response. Classification studies will only be conducted twice a year in November and during the budget process; therefore, classification study requests shall be submitted October 1<sup>st</sup> for the November review and according

to the Finance budget schedule. District's management may also conduct classification studies at their discretion to ensure that the duties and responsibilities of all employees are appropriately allocated within the classification structure.

29.1.1. All classification study findings regarding existing classifications are subject to approval by the General Manager; findings recommending a new job classification range are subject to approval by the District's Board of Directors. The recommendations of the classification study will be implemented in the first pay period immediately following the completion of the study unless the recommendations require action by the Board of Directors prior to implementation. In such event, the recommendations will be implemented in the first pay period immediately following authorization by the Board.

29.2. Y-Rating

29.2.1. In the event the duties and responsibilities of a position are allocated to a lower paid classification, the salary of the incumbent of that position will remain unchanged.

29.2.2. Y-rating will be granted for all reclassifications where employees are working in a job classification with a lower maximum rate of pay.

29.2.3. The Y-rate will remain in effect until the salary range for the new classification equals or exceeds the employee's Y-rated salary. Employees become eligible for merit increases and range adjustments when the Y-rate is no longer in effect.

29.2.4. Career Change – Operator-in-Training: Y-rating will occur when an existing employee is selected as a candidate for an Operator-in-Training classification when the employee's hourly rate is higher than the applicable hourly rate for the Operator-in-Training classification. The Y-rating shall begin with the effective date of the new classification and continue for eighteen (18) months. The employee must obtain a Grade I Plant Operator certificate within this eighteen (18) month period. The employee will serve a probationary period for the first twelve (12) months of this eighteen (18) month period. If the employee does not obtain a Grade I Plant Operator certificate or does not pass probation, the employee will be returned to his/her prior position or an equivalent position.

29.2.5. Career Change – Power Plant Operator I: Y-rating will occur when an existing employee is selected as a candidate for a Power Plant Operator I classification when the employee's hourly rate is higher than the applicable hourly rate for the Power Plant Operator I classification. The Y-rating shall begin with the effective date of the new classification and continue for twenty-four (24) months. The employee will serve a probationary period for the first twelve (12) months of this twenty-four (24) month period. If the employee does not pass probation, the employee will be returned to his/her prior position or an equivalent position.

## **ARTICLE 30.DRIVER'S LICENSE**

30.1. Employees who are required by the District to drive must notify their supervisor and the Risk Management Division immediately upon receipt of any suspension or revocation of their California Driver's License privileges. Failure to do so could result in disciplinary action up to and including separation.

30.2. If an employee whose license is suspended or revoked and is thus unable to perform his/her regular duties and responsibilities notifies the District in a timely fashion, an attempt will be made to place the employee in an equal or lower level position for which he/she is qualified. Placement in the range of the new classification is subject to District's management discretion.

30.3. The District will continue to pay the license renewals and physical examination costs of Class A & B licenses that are specifically required by the District.

## **ARTICLE 31.LAYOFF PROCEDURE**

- 31.1. Nothing herein will be construed to require the District to fill vacant, budgeted positions nor to prohibit the District from eliminating vacant positions from the budget. The District reserves the right to reassign staff to other positions in instances involving job restructuring, reorganization or due to lack of work.
- 31.2. If, in the sole discretion of District's management, personnel reductions are necessary, layoff order and recall lists will be developed based upon job classification, priority of function, job performance, individual qualifications and seniority. The Local 501 and employees subject to lay off will be provided with at least two (2) weeks notification in writing whenever possible.
- 31.3. Employees in classifications subject to layoff may request a voluntary demotion to any previously held position for which they remain qualified. Such request must be made in writing to the Human Resources Department within five (5) days of receipt of the Layoff Notice. The salary of an employee who voluntarily demotes will be unchanged, except that it may not exceed the top of the range for the lower level classification.
- 31.4. Recall lists will be developed for all classifications experiencing personnel reductions, and will be maintained for a period of two (2) years from the date of layoff. Individuals will be placed on the list in the inverse order of layoff, so that the last person laid off is the first recalled. When a vacancy occurs in a classification for which a Recall list exists, an offer of reemployment will be made to the individual on the top of the list. That individual must respond to the offer within five (5) days, or the offer will be made to the next person on the list. An individual who either does not respond or refuses three (3) consecutive offers will have his/her name removed from the list.
- 31.5. All notification and responses must be in writing and delivered either in person or by Certified Mail. It is the responsibility of all employees to keep the Human Resources Department informed of their current address, or where they may be contacted.

## **ARTICLE 32.LIGHT DUTY**

- 32.1. An employee who is released by a physician to perform limited duties because of a temporary disability may be assigned to light duty at the discretion of the District. Light duty may consist of duties other than those normally performed by the employee and that are within the employee's medical restrictions. An employee assigned to light duty will be paid the regular wage rate for the job classification to which he or she was assigned prior to being temporarily disabled.

## **ARTICLE 33.MEDICAL EXAMINATION**

- 33.1. When there is reasonable evidence to suggest that an employee is impaired in a manner that endangers his/her own health or safety, or that of others, the District may require that employee to be examined or evaluated by a health care provider. The purpose of such examination must be job related. Any examination under this provision will be conducted on District's time and at District's expense. An employee may submit an independent medical opinion regarding his/her condition and addressing his/her ability to competently perform the duties of the position. The higher rate of pay begins with hour forty-one (41) and continues until the assignment ends or the six (6) month limitation has been reached at which time a determination will be made as to whether the position should or should not be posted. Requests for acting pay require the pre-approval of the employee's Department Director and the Director of Human Resources, or designee(s). The forty (40) hour eligibility period may be waived at the discretion of the General Manager.

47.1.1. The parties mutually understand and agree that in accordance with California Government Code Sections 3500, et.seq., all full-time Unit employees represented by the International Union of Operating Engineers, Local 501 (hereinafter "Union") have the right to join or not join the Union. However, the enactment of a local "Agency Shop" requires that as a condition of continuing employment, employees must either join the Union or pay to the Union a service fee in lieu thereof. Such service fee shall be established by the Union, and shall not exceed the standard initiation fee, periodic dues and general assessments of the Union.

### **47.2. Union Dues/Service Fees**

47.2.1. The Human Resources Department shall provide all current employees and any employees hired thereafter with an authorization notice advising them that the District has entered into an Agency Shop agreement with the Union, and that all employees subject to the Agreement must either join the Union, pay a service fee to the Union, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of Union dues or a service fee, or a charitable contribution equal to the service fee. Said employees shall have fourteen (14) calendar days from the date they receive the form to fully execute it and return it to the Human Resources Department.

47.2.2. If the form is not completed properly and returned within fourteen (14) calendar days, the District shall commence and continue a payroll deduction of service fees from the regular biweekly paychecks of such employee. The effective date of Union dues, service fee, or charitable contribution shall begin no later than the first full pay period after receipt of the authorization form.

47.3.2. Declarations of or applications for religious exemption and any other supporting documentation shall be forwarded to the Union within fourteen (14) calendar days of receipt by the District. The Union shall have fourteen (14) calendar days after receipt of a request for religious exemption to challenge any exemption granted by the District. If challenged, the deduction to the charity of

47.4.1.3. The vote may be taken at any time during the term of the memorandum of understanding, but in no event shall there be more than one (1) vote taken during that term. Notwithstanding the above, the District and the Union may negotiate, and by mutual agreement provide for, an alternative procedure or procedures regarding a vote on an Agency Shop agreement.

The District reserves the right to select and direct legal counsel in the case of any challenge to the District's compliance with the Agency Shop fee obligation, and the Union agrees to pay any attorney, arbitrator or court fees related thereto.

## **ARTICLE 48. PEACEFUL RESOLUTION OF DISPUTES**

48.1. During the term of this Memorandum, or any subsequent period when impasse resolution procedures are in progress or recommendations resulting from such procedures are being considered by the parties, the District agrees it shall not lockout employees in this Unit, and Local 501 agrees that it shall neither advocate, encourage or participate in any strike, including sympathy strike, or work stoppages, nor encourage employees to refrain in whole or in part from the full, faithful and proper performance of their duties of employment.

## **ARTICLE 49. SHIFT CHANGES**

49.1. The shift change provision is intended to provide an opportunity for employees to bid for open positions based on their job knowledge, experience and seniority. An open position is considered an unencumbered position, or vacancy, resulting from a transfer, promotion, separation, or retirement.

Shift changes will be handled on the basis of seniority except when the District can demonstrate a business necessity.

49.2. Relief Operator

49.2.1. When Plant Operators, Senior Plant Operators or Power Plant Operator series are assigned to Relief Operator positions, they will be entitled to \$1.75 per hour premium.

49.2.2. Except in emergencies, an employee will be notified of a change in his/her work schedule at least forty-eight (48) hours in advance of such change, preferably seven (7) calendar days in advance of such change. In the event that notice is under forty-eight (48) hours, management will first try to fill vacancy from the overtime list. Failure to fill from the overtime list will result in payment equivalent to call back pay in addition to any pay received from the shift worked for the Relief Operator.

49.2.3. It will be the intent of Management that relief employees will receive two (2) consecutive days off and will only be subject to split days off when schedule changes occur.

49.3. Shift change-bidding procedure

49.3.1. The District will mail (e-mail is acceptable) a Shift Change Request Form to employees in appropriate classifications every six (6) months. Any employee who wishes to be assigned to a different shift, and who is qualified for that shift, may indicate his/her preference for reassignment on the Shift Change Request Form. The Shift Change Request Form must be returned within thirty (30) days for an employee to be placed on a shift bid list. The list of requests will be used for a period of six (6) months to fill vacant positions. A new employee or a promoted employee may request through the Human Resources Department to be added to the current list within two (2) weeks of his/her start date (new employee) or of being notified of the promotion.

49.3.2. When the District intends to fill an open position, the following steps will be followed:

49.3.2.1. The District will notify the most senior employee on the Shift Change Request list of the availability of the open position.

49.3.2.2. Within two (2) business days of the shift change offer, the employee must notify the District in writing (e-mail is acceptable) of his/her decision to accept or reject the position.

49.3.2.3. If the most senior employee rejects the position, the position will be offered to the next most senior employee on the list.

49.3.2.4. The process will be repeated until the position is filled or the list is exhausted.

49.3.3. If an employee declines a shift change offer, or does not notify the Human Resources Department within the two (2) business days, his/her name will remain on the list unless they request in writing to have it removed. An employee who accepts a shift change offer will be notified of the effective date of the shift change within seven (7) business days.

49.3.4. When an employee is awarded a shift bid, the employee shall begin the new shift within 30 days of accepting the bid.

49.4. Requests for urgency transfer

49.4.1. On occasion, an employee may wish to initiate a transfer to a different shift or plant in response to a personal situation beyond his/her immediate control. Management will make a reasonable effort to accommodate such requests, considering the operational needs of the District, in accordance with the following guidelines:

49.4.2. The requirement to work any shift is considered an essential job function. An employee who requests a transfer due to health reasons that are supported by competent medical findings will

be considered disabled and an effort will be made to explore reasonable accommodations. If such accommodations cannot be made, or if the accommodation would result in an undue business hardship on the District, the employee will have the option of remaining in the position unless his/her presence would pose a threat to the safety and welfare of others.

49.4.3. Transfer requests for non-medically related reasons will be considered only when the health or well being of the employee or a member of his/her immediate family is involved. In such events, the transfer would normally be of a temporary nature and limited to the duration of the emergency.

49.4.4. Employees who wish to submit a Request for Transfer must do so in writing to their supervisor. The request should contain sufficient information to allow full consideration of the nature of the emergency or medical condition, and include medical documentation.

## **ARTICLE 50.WORKPLACE VIOLENCE AND WEAPONS POLICY**

50.1. The District's Workplace Violence and Weapons Policy will apply to all unit members.

## **ARTICLE 51.RESIGNATION**

51.1. Voluntary written termination of employment with the District is irrevocable after seventy-two (72) hours from the receipt of the resignation except by approval of the Director of Human Resources, or designee.

## **ARTICLE 52. OPERATOR CERTIFICATION**

52.1. All employees assigned to the Lead Plant Operator, Senior Plant Operator, Plant Operator or Operator-in-Training classifications will comply with the certification requirements of Chapter 4, Title 23, Subchapter 14 of the California Administrative Code. Failure to maintain a valid certificate will be grounds for dismissal. This provision will not be subject to the Grievance Procedure.

52.2. The District will notify the Office of Operator Certification in writing within thirty (30) days of a final disciplinary action resulting in suspension, demotion or discharge of a certified operator if the discipline is the result of commission of any of the acts defined as grounds for discipline within the Operator Certification Regulations.

52.3. As a condition of employment, newly hired Operator-in-Training employees who do not possess a Certificate of Competence will apply for an Operator-in-Training Certificate and pay any applicable fee to the State Water Resources Control Board and submit proof of such application to the Human Resources Department within ten (10) business days of employment. Operators-in-Training who do not receive their Grade I Certificate within three (3) years from their date of hire will be released from District's employment. The District agrees to continue its current policy of reimbursing Operations and Maintenance employees for required certifications.
