MEMORANDUM OF UNDERSTANDING
BETWEEN THE
ORANGE COUNTY SANITATION DISTRICT
AND THE
ORANGE COUNTY EMPLOYEES ASSOCIATION
FOR THE
ENGINEERING UNIT

In accordance with the provisions of California Government Code Sections 3500, et seq., and Resolution No. 75-127 of the Joint Board of Directors, the District's authorized representative has met and conferred in good faith with representatives of the Orange County Employees Association (OCEA) for the Engineering Unit. These meetings have resulted in an agreement and understanding to recommend that the employees represented by OCEA accept these terms and conditions, and that the Board of Directors adopt by Resolution the changes and additions to the wages, hours, and conditions of employment for the employees represented by OCEA as set forth in this Agreement.

ARTICLE 1. - RECOGNITION

- 1.1 This Agreement, effective July 1, 2016, is entered into between the Orange County Sanitation District, referred to hereinafter as the "District," and the Orange County Employees Association, referred to hereinafter as "OCEA."
- 1.2 The District recognizes the Orange County Employees Association as the exclusive recognized employee organization for matters within the scope of representation for the following classifications, as set forth in Exhibit "A" (attached hereto and incorporated by reference), as well as additional classes as may be added hereafter by the District.

ARTICLE 2. - DURATION

- 2.1 This Agreement shall be binding on the District and OCEA when approved and adopted by the District's Board of Directors. This Agreement shall terminate on June 30, 2019. This Agreement shall act as a bar to the raising of the question of representation during its term, except that the question of representation may be raised during the period between sixty (60) and ninety (90) days prior to its expiration.

ARTICLE 3. - SUCCESSOR AGREEMENT

- 3.1 The Group shall submit in writing its initial proposal for a successor agreement 60 days prior to the expiration date of this Agreement.

ARTICLE 4. - OCEA ACCESS

- 4.1 An OCEA Representative shall have access to the District's facilities during working hours for the purpose of assisting Unit employees in processing grievances or investigating matters arising out of the application of provisions of this Agreement. The OCEA Representative must obtain authorization for each visit in advance from the Director of Human Resources, or designee.
- 4.2 The OCEA shall provide the Director of Human Resources, or designee, with a list of Representatives who are authorized to request access under this article, and shall notify the Director of any changes in that list.
- 4.3 OCEA access shall not interfere with the District's operations, or with the work of employees in any manner. The District reserves the right to restrict access in certain areas designated as confidential or secure.

ARTICLE 5. - OCEA RIGHTS

- 5.1 The OCEA may designate employees to act as representatives for employees covered by this Agreement. The OCEA shall furnish the Director of Human Resources, or designee with the names of employees

selected as representatives and shall update the list as necessary. An alternate representative may be designated to act in the absence of the regular representative. Employees not listed on the roster of representatives provided to the District by the OCEA may not act as representatives.

- 5.2 Representatives shall not perform non work-related duties on work time without the prior approval of their immediate supervisor. Neither the District nor the OCEA shall interfere with, intimidate, restrain, coerce or discriminate against employees because of the exercise or non-exercise of their rights to engage in OCEA activity.

ARTICLE 6. – DISTRICT RIGHTS

- 6.1 District inherent rights, powers, functions, duties, responsibilities and authority related to a managerial or administrative character are reserved to the District in its exercise of management decision-making, except as specifically modified by the express provisions of this Memorandum. District rights include, but are not limited to, the exclusive right to consider the merits, necessity or organization of any service or activity provided by law, or administrative order; determine the mission of its constituent departments, commissions and boards; set standards of service, determine the procedures and standards of selection for employment and promotion; establish and implement performance standards; direct its employees; take disciplinary action for proper cause; layoff employees from duty because of lack of work or lack of funds; maintain the efficiency of District operations; determine the methods, means and personnel by which District operations are to be conducted; determine the content of job classifications; classify and reclassify positions; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.
- 6.2 District retains all authority and rights conferred on it by law, or other legal sources, except to the extent that such authority is explicitly waived by the express terms of this agreement. District exercise of its management rights hereunder shall not be subject to appeal or meeting and conferring, however, that the exercise of such rights does not preclude OCEA from appealing or meeting and conferring the practical consequences or impacts that District decisions have on wages, hours, and other terms and conditions of employment.

ARTICLE 7. - NONDISCRIMINATION IN EMPLOYMENT

- 7.1 There shall be no unlawful discrimination in the application of the provisions of this Agreement with regard to actual or perceived race, color, religion, national origin, ancestry, sex, gender, gender identity, gender expression, sexual orientation, age, physical or mental disability, medical condition, genetic information, marital status, or military or veteran status, or any other lawfully protected class. To the extent required by law or by the District's rules or regulations, this provision of the Agreement shall be applied to all members of the unit without regard to any protected classification.

ARTICLE 8. - SMOKE-FREE WORK ENVIRONMENT

- 8.1 The District endorses and supports the right of all employees to work in a healthy and safe environment free of recognized hazards. In view of the hazards associated with smoking and the potentially harmful effect it has on the health and well being of District employees and their families, smoking and the use of tobacco (cigarettes, cigars, e-cigarettes ["vaping"] and related tobacco products and technologies) is not acceptable within District facilities, and may occur only in areas posted for smoking.

ARTICLE 9. - SAFETY

- 9.1 It is the duty of the District to provide and maintain a safe place of employment. OCEA shall cooperate by encouraging all employees covered by this Agreement to perform their work in a safe manner. It is the duty of all employees covered by this Agreement, in the course of performing their assigned duties, to be alert to unsafe practices, equipment, and conditions, and to follow the safety regulations and requirements of the District, and to report any unsafe practices or conditions to their immediate supervisors. An employee shall not be required to perform work that is unsafe.

ARTICLE 10. - DISCIPLINE AND DISMISSAL

- 10.1 Discipline may occur when any of the following actions are taken for just cause with respect to any employee in the unit: verbal reprimand, written reprimand, suspension without pay; reduction in pay, demotion to a classification with a lower maximum rate of pay or dismissal.
- 10.2 Dismissal, for purposes of this Article, is the separation of a non-probationary employee initiated by the District for just cause.
- 10.3 A Notice of Intent is not required when the disciplinary action involves a verbal reprimand or written reprimand.
- 10.4 A Notice of Intent is required and will be given to an employee whenever the disciplinary action involves a suspension without pay, a reduction in pay, a demotion to a classification with a lower pay grade, or dismissal. The notice will be given to the affected employee either by delivery in person or by Certified Mail sent to the employee's last known address. Such personal delivery or mailing shall be presumed to provide actual notice to the affected employee. The Notice of Intent shall indicate the date on which it was personally delivered or deposited in the mail, which shall be the date of issuance.
- 10.5 The Notice of Intent shall contain the following: (1) a description of the disciplinary action intended and the effective date of the action; (2) the reasons for the proposed action; (3) a copy of the charges and materials upon which the action is based; and, (4) a statement of the employee's right to respond, either verbally or in writing to the person initially imposing the discipline or to a District management representative with authority to make an effective recommendation on the proposed action, the person to whom any response must be directed, and the fact that such response must be received within ten (10) business days of the date of issuance of the notice. The Notice shall also advise the employee of his or her right to representation.
- 10.6 Prior to the effective date of the proposed disciplinary action, the employee shall be given an opportunity to respond either verbally or in writing to a management representative with authority to make an effective recommendation on the proposed action. After review of an employee's response, the District shall notify the employee in writing of the action that shall be taken. Such action may not involve discipline more severe than that described in the Notice of Intent; however, the District may reduce discipline without further notice. Further clarification of the disciplinary policies and procedures are covered in the District's Personnel Policies & Procedures Manual.
- 10.7 Dismissal shall be preceded by at least one (1) written reprimand, except in those situations in which the employee knows or reasonably should have known that the performance or conduct was unsatisfactory. Such performance or conduct may involve, but is not limited to, dishonesty, possession, use, sale or being under the influence of drugs or alcohol, theft or misappropriation of District property or funds, fighting on the job, insubordination, acts endangering people or property, or other serious misconduct. The District may substitute documented suspensions without pay for written reprimands.
- 10.8 If a Notice of Intent is upheld and the disciplinary action is imposed, the employee may request a post-disciplinary hearing. The request must be submitted to the Director of Human Resources, or designee, within ten (10) business days following the effective date of the disciplinary action (for suspensions, the effective date shall be the first business day following the final day of the suspension). The Director of Human Resources, or designee, shall schedule a post disciplinary hearing with the General Manager or a hearing officer selected by the General Manager. The hearing officer may not be an employee of the District. The hearing officer will provide a written, advisory decision to the General Manager. The General Manager may uphold the disciplinary action that has been taken or may reduce such discipline without the issuance of a further Notice of Intent. The decision of the General Manager shall be final.
- 10.9 Disciplinary action documentation shall be placed in an employee's personnel file in the Human Resources Department. Documentation regarding verbal and written reprimands may be removed from an employee's personnel file twenty-four (24) months subsequent to the date of issuance, provided that there has been no recurrence of a similar incident during the period. If the Director of Human Resources, or designee, agrees to remove disciplinary action documentation from an employee's personnel file, such documentation shall be retained in a separate file by the Human Resources Department for the purpose of showing that progressive discipline has been followed or in support of the District's proposed discipline.

- 10.10 Verbal reprimands and written reprimands may only be reviewed under this Agreement through the Problem Solving Procedure. Nothing in this article shall be construed as a waiver of any statutory or constitutional rights.
- 10.11 A reduction in pay or demotion to a classification with a lower pay grade that is not a result of performance deficiencies (for example, reclassifications, "bumping" associated with layoffs, reasonable accommodation) shall not be considered discipline.

ARTICLE 11. - GRIEVANCE PROCEDURE

- 11.1 A grievance is any complaint that management has violated a specific provision of this Agreement, except that, in accordance with Article 10 above, discipline which requires a Notice of Intent may not be reviewed under this Grievance Procedure.
- 11.2 A grievance may be brought to the attention of the District by an individual employee within the Unit or by the OCEA. The District may not bring a grievance through this procedure. Grievances brought by two (2) or more employees, and concerning the same incident, issue, or course of conduct, or multiple grievances brought by the same employee may, upon mutual agreement of the District and the OCEA, be consolidated for the purposes of this procedure.
- 11.3 Employees are encouraged prior to bringing forward a formal grievance, to discuss the issue with the Director of Human Resources, or designee, in an effort to bring about an informal resolution.
- 11.4 An employee may be self-represented or be represented by the OCEA at all steps of the Grievance Procedure, unless specifically agreed otherwise by the OCEA and the employee. The District shall provide a copy of all written grievance settlements to the OCEA. Any reference to days in this article implies business days.
- 11.4.1 Step 1. An employee will submit his/her complaint in writing to his/her immediate supervisor or designee within ten (10) days of the occurrence of the event giving rise to the complaint, or within ten (10) days from the time that the employee became aware of such event. The supervisor, or designee, shall attempt to resolve the issues surrounding the complaint, and respond in writing to the employee within ten (10) days.
- 11.4.2 Step 2. If the grievance is not settled at Step 1, it may be submitted in writing to the employee's Division Manager, or designee. This request for formal review must be presented on a form provided by the District within ten (10) days of the conclusion of Step 1. A copy of each written communication on a grievance will be filed with the Director of Human Resources, or designee. The written grievance must:
- a) Identify the specific management act to be reviewed;
 - b) Specify how the employee was adversely affected;
 - c) List the specific provisions of the MOU that were allegedly violated and state how they were violated;
 - d) Specify the remedy requested; and
 - e) Provide the date of attempts at informal resolution and the name of the supervisor or individual involved.
- 11.4.2.1 The Division Manager, or designee, shall respond in writing to the employee within ten (10) days after the date the grievance is received.
- 11.4.3 Step 3. If a grievance is not settled under Step 1 or 2, it may be presented to the employee's Department Director, or designee, for review and written response. The request for formal review must be presented on a form provided by the District within five (5) days of the conclusion of Step 1 or 2, and must contain the information specified in Step 2 above. A copy of each written communication on a grievance will be filed with the Director of Human Resources, or designee.

The employee's Department Director, or designee, shall respond in writing to the employee within ten (10) days after the date the grievance is received.

11.4.4 Step 4. If the grievance cannot be resolved under Step 3, it may be presented to an Assistant General Manager, or designee, within five (5) days from the date the Step 3 finding was issued. The Assistant General Manager, or designee, shall respond in writing to the employee within ten (10) days after the date the grievance is received.

11.4.5 Step 5. Appeal to the General Manager, or designee, is the final step in the Grievance Procedure. If the grievance cannot be resolved under Step 4, it may be presented to the General Manager, or designee, within five (5) days from the date the Step 4 finding was issued. The General Manager, or designee, shall respond in writing to the employee within ten (10) days after the date of the grievance is received.

11.5 General Provisions: An employee shall be given reasonable time off without loss of pay to present and process a grievance. If an employee is represented by the OCEA, the OCEA may designate one employee to present and process the grievance. The employee representative shall be given reasonable time off without loss of pay to perform this responsibility. Absence from work shall be approved only if it does not cause disruption to District operations. However, if the time requested cannot be provided, an alternate time shall be arranged.

11.5.1 Failure of a management representative to respond within the appropriate time limit shall provide a basis for the employee appealing to the next step. If a grievance is not presented or appealed within the time limits, it shall be considered resolved on the basis of the preceding response. The Director of Human Resources, or designee, may be petitioned in writing to waive the step or time requirements provided sufficient cause exists.

11.5.2 Resolution may be agreed upon at any stage of the grievance process. However, the OCEA shall be notified prior to the resolution of any formal grievance matter.

ARTICLE 12. - PROBLEM SOLVING PROCEDURE

12.1 Employees may bring problems to the attention of District managers through the Problem Solving Procedure. This Procedure was developed to encourage and facilitate the resolution of employee concerns in a responsive and fair manner, and may be used to attempt to resolve issues that may not be subjected to the Grievance Procedure. Any reference to days in this article implies business days.

12.2 Employees should discuss concerns regarding issues that are not grievable with their supervisor as soon as possible. The supervisor shall review the situation or decision, and provide a written response within five days from the date they were notified of the problem.

12.3 If the problem is not resolved to the employee's satisfaction, the employee may file a written statement concerning the problem with the Director of Human Resources, or designee, within ten (10) days of receipt of the supervisor's decision. Upon request of either party, a meeting shall be held to define issues and establish the remedies sought. The employee shall be provided a written response within ten (10) days after his or her statement is received. Time limits may be extended for cause upon mutual consent of the parties, and the decision of the Director of Human Resources, or designee, is final.

ARTICLE 13. - SALARY ADJUSTMENTS AND COMPENSATION

13.1 Each pay grade is divided into five (5) steps, with an approximate 5.0% difference between each step.

13.2 Pay increases will only apply to eligible employees in an active payroll status on the effective date of implementation. Eligible employees will not receive retroactivity if active payroll status becomes effective after the date of implementation.

13.3 Merit Pay

13.3.1 Step Increase Pay – Bargaining unit employees will be eligible for Step Increase Pay based upon receipt of year-end performance appraisal ratings issued by the assigned supervisor. Step Increase Pay will be paid according to the following:

13.3.1.2 Ineligible - Employees who are placed on a Performance Improvement Plan (PIP) due to a needs improvement performance review on the year-end appraisal or who are on a PIP at the time of the year-end appraisal period will remain at their current step until the PIP is satisfactorily completed.

13.3.1.3 Performance Management Program: The performance management program includes three (3) rating categories (exceeds, proficient, needs improvement) for performance appraisals.

13.3.2 Development Pay – Employees under this Agreement will be eligible for Development Pay. Development Pay is a non-base building pay type that will be distributed in a lump-sum amount each pay period. Employees must have a proficient year-end performance appraisal to be eligible for the following Development Pay types:

- Education – Eligible employees who obtain or who have obtained a degree of approved subjects at an accredited college or university will receive \$20.76 per pay period for an associate degree and \$41.53 per pay period for an undergraduate degree. The maximum amount of Education pay is fixed at \$41.53 per pay period.
- Certification/License – Eligible employees who obtain or who have obtained a District approved certification or license will receive \$7.62 per pay period per certificate or license with a maximum of three (3) certificates and/or licenses. The maximum amount of certification/license pay for any combination of certificates and/or licenses is fixed at \$22.86 per pay period.

13.3.2.1 The overall maximum Development Pay for education, certification and/or licenses is fixed at \$64.39 per pay period.

13.3.2.2 Employees who are placed on a PIP due to a needs improvement performance review on the year-end performance appraisal are not eligible for Development Pay until the PIP is satisfactorily completed.

13.3.2.3 Employees who are placed on a PIP due to needs improvement performance outside the year-end appraisal will have all Development Pay suspended until the PIP is satisfactorily completed. The return of Development Pay will not be retroactive.

13.4 Salary Range Adjustments

ARTICLE 14. - SEVERANCE PAY

14.1 Employees are expected to give a minimum of two (2) weeks written notification when terminating employment with the District. Except for disciplinary cause, when a full-time employee is terminated by

action of the District, the employee shall be notified in writing two (2) weeks prior to the effective separation date. In the event the District does not give such notification, the employee shall be entitled to severance pay in accordance with the formula set forth below:

14.1.1 Full-time, regular employees shall be entitled to eight (8) hours pay for each full calendar month of continuous employment not to exceed one hundred sixty (160) hours pay.

14.1.2 Employees in limited term or part-time positions, probationary employees and employees who are separated for cause, are not eligible for severance pay under any circumstances.

ARTICLE 15. - DEFERRED COMPENSATION

15.1 Employees may participate in the District’s approved deferred compensation plan subject to IRS requirements, and in accordance with all guidelines for voluntary participation established by District management.

ARTICLE 16. - HOLIDAYS

16.1 The days listed below are observed by the District as holidays. Employees will receive holiday pay if their entire scheduled work shift immediately preceding and following the holiday are in a paid payroll status, meaning the employee worked those shifts or utilized paid time off in lieu of working those shifts. When an employee's work schedule requires that they work on an observed holiday, the employee will be paid at the employee's regular rate of pay for the holiday, and will also receive overtime pay at the rate of one and one half (1.5) times their regular hourly rate for all hours actually worked. Employees may also elect to receive Holiday Compensatory Time Off on an hour for hour basis rather than receive holiday pay. When a holiday occurs on an employee's regular scheduled day off, the employee will accrue compensatory time off for the amount of hours normally scheduled for that day. Employees with a compensatory time off balance in excess of fifty (50) hours as of the last pay period ending in October will receive a mandatory payout for the hours that exceed fifty (50).

Standby assignments shall first be made on a voluntary basis. A volunteer standby list shall be established by classification and job location. Standby assignments shall be made from the list of employees who are competent and experienced, in alphabetical order, on a rotating basis. In the event that no one volunteers, the District shall assign standby by job classification and work location from employees who are competent and experienced on a rotational basis. An employee placed on standby shall be compensated at the rate of three hundred forty-five (345) dollars per week, and shall receive Call Back pay when they are actually called to work.

20.3.3 The District may reopen negotiations at any time during the term of the MOU to address the impact of the Affordable Care Act (ACA), provided that no change may be made by the District unless such change is either (1) mandated by the ACA, or (2) mutually agreed upon by the parties.

20.4 Life Insurance

The District shall pay the full premium for \$50,000 term life insurance on each employee.

20.5 Short Term Disability

20.6 Long Term Disability

20.6.1 The District shall provide a non-work related, long-term disability indemnity plan that pays two-thirds of the employee's rate of pay in effect at the time of such disability, not to exceed \$5,000 per month, up to age 65, following a 90-day waiting period of continuous disability, at such time that an employee completes five (5) years of service.

28.3 Substitution of Paid Leave

28.3.1 Employees who request FMLA or CFRA Leave for qualifying purposes other than the employee’s own serious health condition shall be required to use all accruals, before unpaid leave is granted. Paid time off will not accrue during any pay period that an employee is absent without pay for more than one (1) day.

28.3.2 Paid time off accruals may be used for the care of the employee’s father, step-father, father-in-law, mother, step-mother, mother-in-law, brother, step-brother, sister, step-sister, husband, wife, domestic partner, biological child, adopted child, step-child, foster child, legal ward, child of a domestic partner, grandchild, grandparent, foster parent, legal guardian, or any family member with whom the employee resides.

A qualifying exigency may include activities such as making arrangements for childcare, attending counseling relating to the active duty of the service member, or attending to farewell or arrival arrangements for the service member.

28.4.1.6 The care for the employee’s family member or “next of kin” service member of the United States Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty. This leave may consist of up to twenty-six (26) weeks of unpaid leave during a single twelve (12) month period.

28.4.2.1 The same purposes as FMLA Leave, including the care of a domestic partner or child of a domestic partner, and shall run concurrently with FMLA leave.

28.4.2.2 CFRA may not be used for 1) an employee's incapacity due to pregnancy, 2) leave due to a qualifying exigency, or 3) to care for a family member or next of kin with a serious injury or illness incurred in the line of duty. Where the need for Leave is foreseeable, the District requests thirty (30) days advance notice.

28.4.5 Medical and Dental Premiums

During FMLA and CFRA Leave, the District shall pay for medical and dental benefits at the same level as coverage would have been provided if the employee was not on leave. The employee shall be required to pay his or her share of medical and dental premiums. Failure to submit a monthly co-payment, in full, within sixty (60) days of the invoice date will result in loss of group coverage. Coverage will be reinstated upon return to active employment.

28.4.6 Reinstatement

Upon expiration of FMLA or CFRA Leave, the employee shall be reinstated to the same or a comparable position, unless the employee would not otherwise have been entitled to that position for reasons unrelated to such leave (e.g., layoff), in which case the District's obligation to continue health and dental or other benefits shall cease.

28.4.7 District Employment of Spouses/Domestic Partners

28.4.7.1 FMLA Leave. Married employees shall be limited to a combined total of twelve (12) weeks FMLA or CFRA Leave in a rolling twelve (12) month calendar period for the care of a parent or newly born or placed child.

28.5.3 Failure to submit a monthly co-payment, in full, within sixty (60) days of the invoice date will result in loss of group coverage. Coverage will be reinstated upon return to active employment.

28.6 Return to Work Policy

28.6.1 An employee who has been absent from work due to a medical reason may be subject to a Return-to-Work medical evaluation.

28.6.2 If it is determined that the job demands of the position last held by the employee are not compatible with the employee's restrictions (with reasonable accommodation if the employee is disabled within the meaning of the ADA/FEHA) and the employee is willing to return to work, placement in an alternative position, if available, shall be considered. The employee shall be re-classified as medically disqualified while alternative positions are being considered. Such time off shall be without pay; however, the employee may elect to use accrued leave hours, such as

vacation, sick or personal, to receive compensation. Placement of an employee in an alternative position requires a pre-placement medical evaluation for the alternative job.

28.6.3 If it is determined that the job demands of the position last held by the employee are not compatible with the employee's restrictions (and cannot be reasonably accommodated if the employee is disabled within the meaning of ADA/FEHA) and there is not an alternative position, or the employee's restrictions are not compatible with an alternative position, or the employee is not willing to return to work, the employee shall be re-classified as medically disqualified and not permitted to work. Thereafter, the employee shall be retired for disability, if eligible, or dismissed. Such dismissal will not imply disciplinary action for cause. If requested, the employee's file will indicate the employee left for personal reasons.

28.6.4 Bridge of Service

If an employee is dismissed per Section 28.6.3, and then is rehired to a position within the District within one (1) year, the District shall bridge the employee's service date. Bridging of service procedures involve adding the total number of days away from work to the employee's original date of hire.

28.6.5 Failure to Return to Work

If, upon the expiration of FMLA or CFRA Leave, or any District approved extension thereof including General Leave, an employee fails to return to work and no additional leave has been authorized, the employee shall be considered to have automatically resigned from his or her position. In such cases, the employee will receive advance notification of the District's intent to implement an automatic resignation.

28.7 Compliance with Law

These Leave-of-Absence provisions shall be interpreted and applied in a manner that is consistent with the provisions of FMLA, CFRA, ADA and all other laws. In the event there is a direct conflict between these provisions, as written or applied, the provisions of law shall govern.

ARTICLE 29. - CLASSIFICATION STUDIES

29.1 An employee who believes his/her position is not properly classified may submit a written request to the Department Director asking that a classification study be conducted. The Department Director will acknowledge the request in writing and review the request for accuracy, and forward it to the Director of Human Resources, or designee, for consideration and response. Classification studies will only be conducted twice a year in November and during the budget process; therefore, classification study requests shall be submitted October 1st for the November review and according to the Finance budget schedule. District's management may also conduct classification studies at their discretion to ensure that the duties and responsibilities of all employees are appropriately allocated within the classification structure.

29.2 Y-Rating

29.2.1 All classification study findings regarding existing classifications are subject to approval by the General Manager; findings recommending a new job classification range are subject to approval by the District's Board of Directors. The recommendations of the classification study shall be implemented in the first pay period immediately following the completion of the study, unless the recommendations require action be taken by the Board of Directors prior to implementation. In such event, the recommendations shall be implemented in the first pay period immediately following authorization by the Board.

4-5	2 years
6-10	3 years

20 or more	5 years

29.2.3 Y-rating based on the above schedule shall be granted for all reclassifications where employees are working in a job classification with a lower maximum rate of resulting from changes to the District's staffing requirements, organizational structure or "bumping" associated with layoffs. Y-rating shall not apply in cases involving disciplinary actions or voluntary changes to a job classification with a lower maximum rate of pay.

29.2.4 The Y-rate shall remain in effect until the salary range for the new classification equals or exceeds the employee's Y-rated salary, or until the term of the Y-rate expires in accordance with the table above. If the Y-rate expires before the employee's salary falls within the range of the new classification, the employee shall be placed at the top of the range. Employees become eligible for merit increases and range adjustments when the Y-rate is no longer in effect.

29.3 Z-Rating

29.3.1 Employees allocated to classifications with a lower range maximum than their current salary as a result of the District's comprehensive Classification Study results implemented effective July 12, 2002 will have their salary remain unchanged (z-rated) until such time that the range maximum of their salary range exceeds or equals their current salary.

29.3.2 If a position is allocated to a higher paid classification, and the incumbent is promoted to that level, his or her salary will be placed at the step of the new range that is nearest a one-step increase, not to exceed the maximum rate of pay.

ARTICLE 30. - DRIVER'S LICENSE

30.1 Employees who are required by the District to drive must notify their supervisor and the Human Resources Risk Management Division immediately upon receipt of any suspension or revocation of their California Driver's License privileges. Failure to do so could result in disciplinary action up to and including separation.

30.2 If an employee whose license is suspended or revoked and is unable to perform his or her regular duties and responsibilities notifies the District in a timely fashion, an attempt shall be made to place the employee in an equal or lower level position for which he or she is qualified. 30.3 The District will continue to pay the license renewals and physical examination costs of Class A & B licenses that are specifically required by the District.

ARTICLE 31. - LAYOFF PROCEDURE

31.1 Nothing herein shall be construed to require the District to fill vacant, budgeted positions nor to prohibit the District from eliminating vacant positions from the budget. The District reserves the right to reassign staff to other positions in instances involving job restructuring, reorganization or due to lack of work.

31.2 The layoff procedure outlined below shall be followed if the District finds it necessary to layoff personnel who were hired after January 1, 2000 and for any layoffs which occur after November 1, 2002.

31.3 If, in the sole discretion of District management, personnel reductions are necessary, layoff order and recall lists shall be developed based upon job classification, priority of function, job performance, individual

qualifications and seniority. The OCEA and employees subject to layoff shall be provided with at least two weeks notification in writing, whenever possible.

- 31.4 Employees in classifications subject to layoff may request a voluntary demotion to any previously held position for which they remain qualified. Such requests must be made in writing to the Human Resources Department within five (5) days of receipt of the Layoff Notice. The salary of an employee who voluntarily demotes shall be unchanged, except that it may not exceed the maximum rate of the range for the lower level classification.
- 31.5 Recall lists shall be developed for all classifications experiencing personnel reductions, and shall be maintained for a period of two years from the date of layoff. Individuals shall be placed on the list in the inverse order of layoff, so that the last person laid off is the first recalled. When a vacancy occurs in a classification for which a Recall list exists, an offer of reemployment shall be made to the individual on the top of the list. That individual must respond to the offer within five days, or the offer shall be made to the next person on the list. An individual who either does not respond or refuses three consecutive offers shall have their name removed from the list.
- 31.6 All notification and responses must be in writing and delivered either in person or by Certified Mail. It is the responsibility of all employees to keep the Human Resources Department informed of their current address, or where they may be contacted.

ARTICLE 32. - LIGHT DUTY

- 32.1 An employee who is released by a physician to perform limited duties because of a temporary disability may be assigned to light duty at the discretion of the District. Light duty may consist of duties other than those normally performed by the employee and that are within the employee's medical restrictions. An employee assigned to light duty will be paid the regular wage rate for the job classification to which he or she was assigned prior to being temporarily disabled.

ARTICLE 33. - MEDICAL EXAMINATION

- 33.1 When there is reasonable evidence to suggest that an employee is impaired in a manner that endangers their own health or safety, or that of others, the District may require that employee to be examined or evaluated by a health care provider. The purpose of such examination must be job related. Any examination under this provision shall be conducted on District time and at District expense. An employee may submit an independent medical opinion regarding the individual's condition and addressing his or her ability to competently perform the duties of the position. This information shall be reviewed and considered by a competent medical authority in arriving at a decision regarding the individual's continued employment in the position.

ARTICLE 34. - MILEAGE ALLOWANCE

The higher rate of pay begins with the hour eighty-one (81), and continues until the assignment ends or the six (6) month limitation has been reached at which time a determination will be made as to whether the position should or should not be posted. Requests for acting pay require the approval of the Department Director and the Director of Human Resources, or designee. The eighty (80) hour eligibility period may be waived at the discretion of the General Manager.

ARTICLE 37. - PERSONNEL FILES

- 37.1 Employees have the right to inspect their personnel file in the Human Resources Department during the normal office hours of the Human Resources Department, by appointment. ARTICLE 39. - RELEASE TIME FOR MEET AND CONFER SESSIONS

- 39.1 A maximum of three (3) employees covered by this Agreement and appointed by the OCEA shall be granted reasonable release time for attending meet and confer sessions at the bargaining table. Release time shall not be compensated for any hours that exceed the employee's regularly scheduled hours of work.
- 39.2 The OCEA shall provide the Director of Human Resources, or designee, with the names of employees requiring meet and confer release time in advance of the meet and confer session. The release time shall be granted provided that the needs of the District permits the time away from assigned work.

ARTICLE 40. - USE OF DISTRICT FACILITIES

- 40.1 District facilities may be used by the OCEA with prior notice to the Director of Human Resources, or designee, for the purpose of holding meetings, to the extent that such use does not interfere with normal District operations. The OCEA agrees to pay for the cost of any additional custodial or security services.

ARTICLE 41. - SCOPE OF BARGAINING

- 41.1 The District and the OCEA acknowledge that during the negotiations, which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects within the scope of representation. Therefore, the District and the OCEA, for the term of this Agreement, except as otherwise provided herein, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter contained in this Agreement.

ARTICLE 42. - IMPASSE PROCEDURES

- 42.1 If either the District or OCEA declares that an impasse exists in the meet and confer process, the party so declaring may initiate the impasse procedure by providing the other party with a written request for an impasse meeting, together with a statement of its position on all issues. An impasse meeting shall be scheduled and held between the parties within fourteen (14) calendar days or as soon as practicable to:
- 42.2 Review the position of the parties in a final effort to reach agreement on a memorandum of understanding, and if the impasse is not resolved, to discuss the immediate utilization of impasse procedures outlined herein.
- 43.3 Impasse procedures are:

- 43.3.1 Mediation: If the parties mutually agree to submit the dispute to the State Mediator and Conciliation Service, all mediation proceedings shall be private and occur as soon as practicable.

The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.

43.3.2 Fact-Finding: If the parties fail to resolve the dispute through mediation, the parties may agree to submit the impasse to fact finding as soon as practicable. The cost of a fact finder and other mutually incurred costs shall be mutually shared by the District and OCEA.

43.3.3 Board Actions: If the parties fail to resolve the impasse, the dispute shall be sent to the District's Board of Directors for resolution. Each party shall submit its written proposal on all issues to the Board. The Board may take such action to resolve the impasse as it deems appropriate to the public interest. Any action taken by the Board to resolve the impasse shall be final and binding.

ARTICLE 43. - SEVERABILITY

43.1 Notwithstanding any other provisions in this Agreement, in the event that any article, section or subsection of this Agreement shall be declared invalid by any court or by any state or federal law or regulation, or should a decision by any court or any state or federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the District, the District and OCEA shall meet and confer on the affected article, section or subsection. In such event, all other articles, sections or subsections of this Agreement not affected shall continue in full force and effect.

ARTICLE 44. - UNIFORMS

44.1 The District shall provide and maintain ten (10) uniform pants and shirts, which may include the name of the employee and District's seal, at no cost to employees whose duties require that they wear uniforms. The District will also provide lab coats as required by the lab manager.

44.2 All employees who are issued uniforms must wear them during the performance of their regular duties. Other clothing appropriate to the occasion, as determined by District management, may be worn when attending business meetings. Failure to wear required clothing, shoes and safety equipment may be cause for disciplinary action.

ARTICLE 45. - SUBSTANCE ABUSE POLICY

45.1 The District's Substance Abuse Policy will apply to all unit members. The District may adopt or implement rules, regulations and policies to be in compliance with federal and state laws. In such cases, notification will be provided to the bargaining unit prior to implementation.
