**MEMORANDUM OF UNDERSTANDING
BETWEEN THE
ORANGE COUNTY SANITATION DISTRICT
AND THE
EMPLOYEES IN THE SUPERVISOR GROUP**

In accordance with the provisions of California Government Code Sections 3500, et seq., and Resolution No. 99-24 of the Joint Boards of Directors, the District's authorized representatives have met and conferred in good faith with representatives of the Supervisor Group. These meetings have resulted in an agreement and understanding to recommend that the employees represented by the Supervisor Group accept these terms and conditions, and that the Board of Directors adopt by Resolution the changes and additions to the wages, hours, and conditions of employment for the employees represented by the Supervisor Group as set forth in this Agreement.

ARTICLE 1. - RECOGNITION

- 1.1. This Agreement, effective July 1, 2016, is entered into between the Orange County Sanitation District, referred to hereinafter as the "District", and the Supervisor Group, referred to hereinafter as "Group", as a mutual recommendation to the Board of Directors of the District of those wages, hours of work, and terms and conditions of employment.

ARTICLE 2. - DURATION

- 2.1. This Agreement will be binding on the District and the Group when approved and adopted by the District's Board of Directors. This Agreement will terminate on June 30, 2019. Any issue regarding the question of representation shall be brought pursuant to the Employer-Employee Relations Resolutions (EERR), Resolution No. OCSD 99-24.

ARTICLE 3. - SUCCESSOR AGREEMENT

- 3.1. The Group will submit in writing its initial proposal for a successor agreement prior to the expiration date of this Agreement.

ARTICLE 4. - GROUP ACCESS

- 4.1. A Group representative will have access to the District facilities during normal working hours for the purpose of assisting Group employees in processing grievances or investigating matters arising out of the application of provisions of this Agreement.
- 4.2. The Group will provide the Human Resources Department or designee, with a list of Representatives who are authorized to request access under this article, and will notify the Director of Human Resources, or designee, of any changes in that list.
- 4.3. Group access will not unreasonably interfere with District operations, or with the work of employees in any manner. The District reserves the right to restrict access in certain areas designated confidential or secure.

ARTICLE 5. - GROUP RIGHTS

- 5.1. The Group may designate up to five (5) employees to act as representatives for employees covered by this Agreement. The Group will furnish the Human Resources Department with the names of employees selected as representatives and will update the list as necessary. An alternate representative may be designated to act in the absence of the regular representative. Employees not listed on the roster of representatives provided to the District by the Group may not act as representatives.
- 5.2. Representatives will not perform non work-related duties on work time without the prior approval of their immediate supervisor. Neither the District nor the Group will interfere with, intimidate, restrain, coerce or discriminate against employees because of the exercise or non-exercise of their rights to engage in Group activity.

ARTICLE 6. - DISTRICT RIGHTS

- 6.1. District inherent rights, powers, functions, duties, responsibilities and authority related to a managerial or administrative character are reserved to the District in its exercise of management decision-making, except as specifically modified by the express provisions of this Memorandum. District rights include, but are not limited to, the exclusive right to consider the merits, necessity or organization of any service or activity provided by law, or administrative order; determine the mission of its constituent departments, commissions and boards; set standards of service, determine the procedures and standards of selection for employment and promotion; establish and implement performance standards; direct its employees; take disciplinary action for proper cause; layoff employees from duty because of lack of work or lack of funds; maintain the efficiency of District operations; determine the methods, means and personnel by which District operations are to be conducted; determine the content of job classifications; classify and reclassify positions; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.
- 6.2. District retains all authority and rights conferred on it by law, or other legal sources, except to the extent that such authority is explicitly waived by the express terms of this agreement. District exercise of its management rights hereunder shall not be subject to appeal or meeting and conferring, however, that the exercise of such rights does not preclude the Group from appealing or meeting and conferring the practical consequences or impacts that District decisions have on wages, hours, and other terms and conditions of employment.

ARTICLE 7. - NONDISCRIMINATION IN EMPLOYMENT

- 7.1. There will be no unlawful discrimination in the application of the provisions of this Agreement with regard to actual or perceived race, color, religion, national origin, ancestry, sex, gender, gender identity, gender expression, sexual orientation, age, physical or mental disability, medical condition, genetic information, marital status, or military or veteran status, or any other lawfully protected class. To the extent required by law or by the District's rules or regulations, this provision of the Agreement will be applied to all members of the Group without regard to any protected classification.

ARTICLE 8. - SMOKE-FREE WORK ENVIRONMENT

- 8.1. The District endorses and supports the right of all employees to work in a healthy and safe environment free of recognized hazards. In view of the hazards associated with smoking and the potentially harmful effect it has on the health and well being of

District employees and their families, smoking and the use of tobacco (cigarettes, cigars, e-cigarettes ["vaping"] and related tobacco products and technologies) is not acceptable within District facilities, and may occur only in areas posted for smoking.

ARTICLE 9. - SAFETY

- 9.1. It is the duty of the District to provide and maintain a safe place of employment. The Group will cooperate by encouraging all employees covered by this Agreement to perform their work in a safe manner. It is the duty of all employees covered by this Agreement, in the course of performing their assigned duties, to be alert to unsafe practices, equipment, and conditions, and to follow the safety regulations and requirements of the District, and to report any unsafe practices or conditions to their immediate supervisor. An employee will not be required to perform work that is unsafe.

ARTICLE 10. - DISCIPLINE AND DISMISSAL

- 10.1. Discipline may occur when any of the following actions are taken for just cause with respect to any employee in the Group: verbal reprimand; written reprimand; suspension without pay; reduction in pay; demotion to a classification with a lower pay grade, or dismissal.
- 10.2. Dismissal, for purposes of this Article, is the separation of a non-probationary employee initiated by the District for just cause.
- 10.3. A Notice of Intent is not required when the disciplinary action involves a verbal reprimand or written reprimand.
- 10.4. A Notice of Intent is required and will be given to an employee whenever the disciplinary action involves suspension without pay, reduction in pay, demotion to a classification with a lower pay grade, or dismissal. The notice will be given to the affected employee either by delivery in person or by Certified Mail sent to the employee's last known address. Such personal delivery or mailing will be presumed to provide actual notice to the affected employee. The Notice of Intent will indicate the date on which it was personally delivered or deposited in the mail, which will be the date of issuance.
- 10.5. The Notice of Intent will contain the following: (1) a description of the disciplinary action intended and the effective date of the action; (2) the reasons for the proposed action; (3) a copy of the charges and materials upon which the action is based; and, (4) a statement of the employee's right to respond, either verbally or in writing to the person initially imposing the discipline, or to a District management representative with authority to make an effective recommendation on the proposed action; the person to whom any response must be directed, and the fact that such response must be received within ten (10) business days of the date of issuance of the notice. The Notice will also advise the employee of the right to representation.
- 10.6. Prior to the effective date of the proposed disciplinary action, the employee will be given an opportunity to respond either verbally or in writing to a management representative with authority to make an effective recommendation on the proposed action. After review of an employee's response, the District will notify the employee in writing of the action that will be taken. Such action may not involve discipline more severe than that described in the Notice of Intent; however, the District may reduce discipline without further notice. Further clarification of the disciplinary policies and procedures are covered in the District's Personnel Policies & Procedures Manual.

- 10.7. Dismissal will be preceded by at least one (1) written reprimand, except in those situations in which the employee knows or reasonably should have known that the performance or conduct was unsatisfactory. Such performance or conduct may involve, but is not limited to, dishonesty, possession, use, sale or being under the influence of drugs or alcohol, theft or misappropriation of District property or funds, fighting on the job, insubordination, acts endangering people or property, or other serious misconduct. The District may substitute documented suspensions without pay for written reprimands.
- 10.8. If a Notice of Intent is upheld and the disciplinary action is imposed, the employee may request a post-disciplinary hearing. The request must be submitted to the Assistant General Manager or designee, within ten (10) business days following the effective date of the disciplinary action (for suspensions, the effective date will be the first business day following the final day of the suspension). The Director of Human Resources, or designee, will schedule a post disciplinary hearing with the General Manager or a hearing officer selected by the General Manager. The hearing officer may not be an employee of the District. The hearing officer will provide a written, advisory decision to the General Manager. The General Manager may uphold the disciplinary action that has been taken or may reduce such discipline without the issuance of a further Notice of Intent. The decision of the General Manager will be final. If the hearing officer upholds the disciplinary action, the employee will pay the full cost and expenses of the hearing officer.
- 10.9. All disciplinary action documentation, except verbal reprimand documentation, will be placed in an employee's Personnel File in the Human Resources Department. Verbal reprimand documentation will be kept in the supervisor's employee files. Supervisors shall inform management staff when a verbal reprimand is to be implemented. If after twenty-four (24) months from implementation there have been no recurrences of similar incidents, the supervisor shall destroy the verbal reprimand documentation.
- 10.10. Written reprimands may be removed from an employee's personnel file twenty-four (24) months subsequent to the date of the issuance, provided that there has been no recurrence of a similar incident during the period. If the Human Resources Department agrees to remove the written reprimand documentation from an employee's personnel file such documentation will be retained in a separate file by the Human Resources Department for the purpose of showing that progressive discipline has been followed or in support of the District proposed discipline.
- 10.11. Verbal reprimands and written reprimands may only be reviewed under this Agreement through the Problem Solving Procedure. Nothing in this article will be construed as a waiver of any statutory or constitutional rights.
- 10.12. A reduction in pay or demotion to a classification with a lower pay grade that is not a result of performance deficiencies (for example, reclassifications, "bumping" associated with layoffs, reasonable accommodation) shall not be considered discipline.

ARTICLE 11. - GRIEVANCE PROCEDURE

- 11.1. A grievance is any complaint that management has violated a specific provision of this Agreement, except that, in accordance with Article 10 above, discipline which requires a Notice of Intent may not be reviewed under this Grievance Procedure.
- 11.2. A grievance may be brought to the attention of the District by an individual employee within the Group or by the Group. The District may not bring a grievance through this

procedure. Grievances brought by two (2) or more employees, and concerning the same incident, issue, or course of conduct, or multiple grievances brought by the same employee may, upon mutual agreement of the District and the Group, be consolidated for the purposes of this procedure.

- 11.3. Employees are encouraged prior to bringing forward a formal grievance, to discuss the issue with the Director of Human Resources, or designee, in an effort to bring about an informal resolution.
- 11.4. An employee may be self-represented or be represented by the Group at all steps of the Grievance Procedure unless specifically agreed otherwise by the Group and the employee. The District will provide a copy of all written grievance settlements to the Group. Any reference to days in this article implies business days.
 - 11.4.1. Step 1. An employee who has a complaint will attempt to resolve it with his/her immediate supervisor within ten (10) days of the occurrence of the event giving rise to the complaint, or within ten (10) days from the time that the employee became aware of such event. The supervisor will attempt to resolve the issues surrounding the complaint, and respond to the employee within ten (10) days.
 - 11.4.2. Step 2. If the grievance is not settled informally at Step 1, it may be submitted in writing to the employee's Department Head, or designee. This request for formal review must be presented on a form provided by the District within ten (10) days of the conclusion of Step 1. A copy of each written communication on a grievance shall be filed with the Assistant General Manager, or designee. The written grievance must:
 - 11.4.2.1. Identify the specific management act to be reviewed;
 - 11.4.2.2. Specify how the employee was adversely affected;
 - 11.4.2.3. List the specific provisions of this agreement that were allegedly violated and state how they were violated;
 - 11.4.2.4. Specify the remedy requested; and
 - 11.4.2.5. Provide the date of attempts at informal resolution and the name of the supervisor or individual involved.
 - 11.4.3. The Department Head will respond in writing to the employee within ten (10) days after the date the grievance is received.
 - 11.4.4. Step 3. If a grievance is not settled under Step 1 or 2, it may be presented to the Assistant General Manager, or designee, for review and written response. The request for formal review must be presented on a form provided by the District within ten (10) days of the conclusion of Step 1 or 2, and must contain the information specified in Step 2 above. A copy of each written communication on a grievance shall be filed with the Assistant General Manager, or designee. The Assistant General Manager, or designee, will respond in writing to the employee within ten (10) days after the date the grievance is received.
 - 11.4.5. Step 4. If the grievance cannot be resolved under Step 3, it may be presented to the General Manager within ten (10) days from the date the Step 3 finding was issued. The General Manager, or designee, will respond

in writing to the employee within fifteen (15) days after the date the grievance is received. The decision of the General Manager is final.

- 11.5. General Provisions. An employee will be given reasonable time off without loss of pay to present and process a grievance. If an employee is represented by the Group, the Group may designate one (1) employee to present and process the grievance. The employee representative will be given reasonable time off without loss of pay to perform this responsibility. Absence from work will be approved only if it does not cause disruption to District operations. However, if the time requested cannot be provided, an alternate time will be arranged.
- 11.6. Failure of a supervisor, Department Head or other management representative to respond within the appropriate time limit will provide a basis for the employee appealing to the next step. If a grievance is not presented or appealed within the time limits, it will be considered resolved on the basis of the preceding response. The Human Resources Department may be petitioned in writing to waive the step or time requirements provided sufficient cause exists. Time limits may also be extended at any step upon mutual agreement of the parties. The District agrees to meet face-to-face with the employee at each step of the grievance procedure at the request of the employee.
- 11.7. Resolution may be agreed upon at any stage of the grievance process. However, the Group will be notified prior to the resolution of any formal grievance matter.

ARTICLE 12. - PROBLEM SOLVING PROCEDURE

- 12.1. Employees may bring problems to the attention of District managers through the Problem Solving Procedure. This Procedure was developed to encourage and facilitate the resolution of employee concerns in a responsive and fair manner, and may be used to attempt to resolve issues that may not be subjected to the Grievance Procedure. Any reference to days in this article implies business days.
- 12.2. Employees should discuss concerns regarding issues that are not grievable with their supervisor as soon as possible. The supervisor will review the situation or decision, and provide a written response within five (5) days from the date they were notified of the problem.
- 12.3. If the problem is not resolved to the employee's satisfaction, the employee may file a written statement concerning the problem with the Human Resources Department within ten (10) days of receipt of the supervisor's decision. Upon request of either party, a meeting will be held to define issues and establish the remedies sought. The employee will be provided a written response within ten (10) days after his/her statement is received. Time limits may be extended for cause upon mutual consent of the parties, and the decision of the Human Resources Department is final.

ARTICLE 13. - SALARY ADJUSTMENTS AND COMPENSATION

- 13.1. Each pay grade is divided into five (5) steps, with an approximate 5.0% difference between each step.
- 13.2. Pay increases will only apply to eligible employees in an active payroll status on the effective date of implementation. Eligible employees will not receive retroactivity if active payroll status becomes effective after the date of implementation.

13.3. Merit Pay

13.3.1. Step Increase Pay – Group employees are eligible for Step Increase Pay based upon receipt of year-end performance appraisal ratings issued by the assigned supervisor. Step Increase Pay will be paid according to the following:

13.3.1.2. Ineligible - Employees who are placed on a Performance Improvement Plan (PIP) due to a needs improvement performance review on the year-end appraisal or who are on a PIP at the time of the year-end appraisal period will remain at their current step until the PIP is satisfactorily completed.

13.4. Performance Management Program: The performance management program includes two (2) rating categories (proficient and needs improvement) for performance appraisals.

13.5. Development Pay – Employees under this Agreement are eligible for Development Pay. Development Pay is a non-base building pay type that will be distributed in a lump-sum amount each pay period. Employees must have a proficient year-end performance appraisal to be eligible for the following Development Pay types:

13.5.1. Education – Effective the first pay period in July 2016, eligible employees who obtain or who have obtained a graduate degree of approved subjects at an accredited college or university will receive \$75.00 per pay period.

13.5.2. Certification/License – Effective the first pay period in July 2016, eligible employees who obtain or who have obtained a District approved certification or license will receive \$15.24 per pay period per certificate or license with a maximum of three (3) certificates and/or licenses.

13.5.3. Grade V Pay – Employees who receive Grade V pay in accordance with the applicable District policy are ineligible to receive Development Pay for their Grade V California Wastewater Treatment Plant Operator Certificate. Employees who possess a Grade V Certificate and do not meet the criteria for Grade V Pay are eligible for Development Pay in accordance with the Development Pay Program Guidelines.

13.6. Employees who are placed on a PIP due to a needs improvement performance review on the year-end performance appraisal are not eligible for Development Pay until the PIP is satisfactorily completed.

13.7. Employees who are placed on a PIP due to needs improvement performance outside the year-end appraisal will have all Development Pay suspended until the PIP is satisfactorily completed. The return of Development Pay will not be retroactive.

13.8. Salary Range Adjustments

13.8.1. Effective the first pay period in July 2016, employees under this Agreement will receive salary range adjustments at a flat rate of 2.5%.

13.8.2. Effective the first pay period in July 2017, employees under this Agreement will receive salary range adjustments at a flat rate of 2.5%.

13.8.3. Effective the first pay period in July 2018, employees under this Agreement will receive salary range adjustments at a flat rate of 2.5%.

13.9. Investment Incentive Salary (IIS)

13.9.1. An additional amount of 4% of base salary will be paid to employees hired or promoted into the Group on or before October 16, 2003 in a lump-sum amount each pay period. This provision continues to make employees whole as a result of the Ventura decision. The above percentages will not be counted toward base salary for the purpose of salary surveys.

13.9.2. In addition, employees hired or promoted into the Group on or before October 16, 2003 will be paid \$1250 annually or \$48.08 per pay period in IIS to further encourage savings and investment for retirement.

13.9.3. IIS amounts are applied to annual, retirement, and termination leave payouts for eligible employees.

ARTICLE 14. - SEVERANCE PAY

14.1. Employees are expected to give a minimum of two (2) weeks written notification when terminating employment with the District. Except for disciplinary cause, when a full-time employee is terminated by action of the District, the employee will be notified in writing two (2) weeks prior to the effective separation date. The employee will be entitled to severance pay in accordance with the formula set forth below:

14.1.1. Full-time, regular employees will be entitled to eight (8) hours pay for each full calendar month of continuous employment not to exceed one hundred sixty (160) hours pay.

14.1.2. Employees in limited term or part-time positions, probationary employees and employees who are separated for cause are not eligible for severance pay under any circumstances.

ARTICLE 15. - DEFERRED COMPENSATION

15.1. Employees may participate in the District approved deferred compensation plan, subject to IRS requirements, and in accordance with all guidelines for voluntary participation established by District management.

ARTICLE 16. - HOLIDAYS

16.1. The days listed below are observed by the District as holidays. Employees will receive holiday pay if their entire scheduled work shifts immediately preceding and following the holiday are in a paid payroll status, meaning the employee worked those shifts or utilized paid time off in lieu of working those shifts. When an employee's work schedule requires that they work on an observed holiday, the employee will be paid at the employee's regular rate of pay for the holiday, and will also receive pay at the rate of one and one half (1.5) times his/her regular hourly rate for all hours actually worked. Employees may also elect to receive Holiday Compensatory Time Off on an hour for hour basis rather than receive holiday pay.

When a holiday occurs on an employee's regular scheduled day off, the employee will accrue compensatory time off for the amount of hours normally scheduled for that day. Employees with a compensatory time off balance in excess of fifty (50) hours as of the last pay period ending in October will receive a mandatory payout for the hours that exceed fifty (50).

Thereafter, the employee will be retired for disability, if eligible, or dismissed. Such dismissal will not imply disciplinary action for cause. If requested, the employee's file will indicate the employee left for personal reasons.

28.5.8. Bridge of Service

28.5.8.1. If an employee is dismissed per Section 28.5.7.3 and then is rehired to a position within the District within one (1) year, the District will bridge the employee's service date. Bridging of service procedures involve adding the total number of days away from work to the employee's original date of hire.

28.5.9. Failure to Return to Work

28.5.9.1. If, upon the expiration of FMLA or CFRA Leave, or any District-approved extension thereof including General Leave, an employee fails to return to work and no additional leave has been authorized, the employee will be considered to have automatically resigned from his/her position. In such cases, the employee will receive advance notification of the District's intent to implement an automatic resignation.

28.5.10. Compliance with Law

28.5.10.1. These Leave-of-Absence provisions will be interpreted and applied in a manner that is consistent with the provisions of FMLA, CFRA, ADA and all other laws. In the event there is a direct conflict between these provisions, as written or applied, the provisions of law will govern.

ARTICLE 29. – CLASSIFICATION STUDIES

- 29.1. The law requires meet and confer over changes to wages, hours, and terms and conditions of employment; the District is committed to complying with the law.
- 29.2. An employee who believes his/her position is not properly classified may submit a written request to the Department Head asking that a classification study be conducted. The Department Head will acknowledge the request in writing and review

the request for accuracy, and forward it to the Human Resources Department for consideration and response. Classification studies will only be conducted twice a year in November and during the budget process; therefore, classification study requests shall be submitted October 1st for the November review and according to the Finance budget schedule which normally requests all information by the end of February. District management may also conduct classification studies at their discretion to ensure that the duties and responsibilities of all employees are appropriately allocated within the classification structure.

29.2.1. All classification study findings regarding existing classifications are subject to approval by the General Manager; findings recommending a new job classification range are subject to approval by the District's Board of Directors. The recommendations of the classification study will be implemented in the first pay period immediately following the completion of the study unless the recommendations require action to be taken by the Board of Directors prior to implementation. In such event, the recommendations will be implemented in the first pay period immediately following authorization by the Board.

29.3. Y-Rating

29.3.1. In the event the duties and responsibilities of a position are allocated to a lower paid classification, the salary of the incumbent of that position will remain unchanged.

29.3.2. Y-rating will be granted for all reclassifications where employees are working in a job classification with a lower maximum rate of pay resulting from changes to the District's staffing requirements, organizational structure or "bumping" associated with layoffs. Y-rating shall not apply in cases involving disciplinary actions or voluntary changes to a job classification with a lower maximum rate of pay (unless otherwise authorized by the General Manager).

29.3.3. The Y-rate will remain in effect until the salary range for the new classification equals or exceeds the employee's Y-rated salary. Employees become eligible for merit increases and range adjustments when the Y-rate is no longer in effect.

ARTICLE 30. - DRIVER'S LICENSE

30.1. Employees who are required by the District to drive must notify their supervisor and the Risk Management Division immediately upon receipt of any suspension or revocation of their California Driver's License privileges. Failure to do so could result in disciplinary action up to and including separation.

30.2. If an employee whose license is suspended or revoked and is unable to perform his/her regular duties and responsibilities notifies the District in a timely fashion, an attempt will be made to place the employee in an equal or lower level position for which he/she is qualified. Placement in the range of the new classification is subject to District's management discretion.

30.3. The District will continue to pay the license renewals and physical examination costs of Class A and B licenses that are specifically required by the District.

ARTICLE 31. - LAYOFF PROCEDURE

- 31.1. If, in the sole discretion of District's management, personnel reductions are necessary, layoff order and recall lists will be developed based upon job classification, priority of function, job performance, individual qualifications and seniority. The Group and employees subject to lay off will be provided with at least two (2) weeks notification in writing whenever possible.
- 31.2. Employees in classifications subject to layoff may request a voluntary demotion to any previously held position for which they remain qualified. Such request must be made in writing to the Human Resources Department within five (5) days of receipt of the Layoff Notice. The salary of an employee who voluntarily demotes will be unchanged, except that it may not exceed the top step of the range for the lower level classification.
- 31.3. Recall lists will be developed for all classifications experiencing personnel reductions, and will be maintained for a period of two (2) years from the date of layoff. Individuals will be placed on the list in the inverse order of layoff, so that the last person laid off is the first recalled. When a vacancy occurs in a classification for which a Recall list exists, an offer of reemployment will be made to the individual on the top of the list. That individual must respond to the offer within five (5) days, or the offer will be made to the next person on the list. An individual who either does not respond or refuses three (3) consecutive offers will have his/her name removed from the list.
- 31.4. All notification and responses must be in writing and delivered either in person or by Certified Mail. It is the responsibility of all employees to keep the Human Resources Department informed of their current address, or where they may be contacted.

ARTICLE 32. - LIGHT DUTY

- 32.1. An employee who is released by a physician to perform limited duties because of a temporary disability may be assigned to light duty at the discretion of the District. Light duty may consist of duties other than those normally performed by the employee and that are within the employee's medical restrictions. An employee assigned to light duty will be paid the regular wage rate for the job classification to which he or she was assigned prior to being temporarily disabled.

ARTICLE 33. - MEDICAL EXAMINATION

- 33.1. When there is reasonable evidence to suggest that an employee is impaired in a manner that endangers his/her own health or safety, or that of others, the District may require that employee to be examined or evaluated by a health care provider. The purpose of such examination must be job related. Any examination under this provision will be conducted on District time and at District expense. An employee may submit an independent medical opinion regarding his/her condition and addressing his/her ability to competently perform the duties of the position. This information will be reviewed and considered by a competent medical authority in arriving at a decision regarding the individual's continued employment in the position.

ARTICLE 34. - MILEAGE ALLOWANCE

- 34.1. Approved use of a personal vehicle for District business will be reimbursed at the current IRS rate.

ARTICLE 35. - ACTING PAY

- 35.1. Employees who are assigned by District management to perform the duties of an open, budgeted position at a higher level for a period of at least one hundred (100) consecutive hours will be eligible for a one (1) step salary increase, or the first step of the range for the higher level classification, whichever is greater. The higher rate of pay begins with the 101st hour, and continues until the assignment ends or the six (6) month limitation has been reached at which time a determination will be made as to whether the position should or should not be posted. Requests for acting pay require the approval of the Department Head and the Human Resources Department. The one hundred (100)-hour eligibility period may be waived at the discretion of the General Manager. Time served in higher level assignments shall be credited as qualifying experience for promotional purposes.

ARTICLE 36.

(This article intentionally left blank.)

ARTICLE 37. - PERSONNEL FILES

- 37.1. Employees have the right to inspect their Personnel File in the Human Resources Department during the normal office hours of the Human Resources Department by appointment. Employees who wish to correct allegedly erroneous information in their file, or request that items related to disciplinary matters be removed after the indicated time period has elapsed, should submit a request in writing to the Human Resources Department. It is the responsibility of each employee to keep the personal information in his/her files current, including home address, telephone number and person to contact in an emergency.

ARTICLE 38. - BULLETIN BOARDS

- 38.1. The Group may use the bulletin boards located at Plant 1 and Plant 2 which are designated for use by employee Groups to post notices to District employees provided that: (a) no controversial matter which is critical or derogatory of the District, its employees, officers or Directors may be posted; (b) nothing posted by the District may be removed; (c) the Group will remove its notices after a reasonable length of time; and (d) only a reasonable number of notices will be posted.

ARTICLE 39. - RELEASE TIME FOR MEET AND CONFER SESSIONS

- 39.1. A maximum of three (3) employees covered by this Agreement and appointed by the Group will be granted reasonable release time for attending meet and confer sessions at the bargaining table. Release time will not be compensated for any hours that exceed the employee's regularly scheduled hours of work.
- 39.2. The Group will provide the Human Resources Department with the names of employees requiring meet and confer release time in advance of the meet and confer session. The release time will be granted provided that the needs of the District permit the time away from assigned work.

ARTICLE 40. - USE OF DISTRICT FACILITIES

- 40.1. District facilities may be used by the Group with prior notice to the Human Resources Department for the purpose of holding meetings, to the extent that such use does not

interfere with normal District operations. The Group agrees to pay for the cost of any additional custodial or security services.

ARTICLE 41. - SCOPE OF BARGAINING

- 41.1. The District and the Group acknowledge that during the negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects within the scope of representation. Therefore, the District and the Group, for the term of this Agreement, except as otherwise provided herein, each voluntarily and unqualifiedly waive the right, and each agrees that the other will not be obligated to bargain collectively with respect to any subject or matter contained in this Agreement.

ARTICLE 42. - IMPASSE PROCEDURES

- 42.1. If either the District or Group declares that an impasse exists in the meet and confer process, the party so declaring may initiate the impasse procedure by providing the other party with a written request for an impasse meeting, together with a statement of its position on all issues. An impasse meeting will be scheduled and held between the parties within fourteen (14) calendar days or as soon as practicable to:
- 42.1.1. Review the position of the parties in a final effort to reach agreement on a memorandum of understanding, and if the impasse is not resolved, to discuss the immediate utilization of impasse procedures outlined herein.
- 42.2. Impasse Procedures are:
- 42.2.1. Mediation: If the parties mutually agree to submit the dispute to the State Mediator and Conciliation Service all mediation proceedings will be private and as soon as practicable. The mediator will make no public recommendation, nor take any public position at any time concerning the issues.
- 42.2.2. Fact-Finding: Whether the parties submit the dispute to mediation or not, the Group may request that the parties' differences be submitted to a factfinding panel as soon as practicable. The cost of a fact finder and other mutually incurred costs will be mutually shared by the District and Group.
- 42.2.3. Board Actions: If the parties fail to resolve the impasse, the dispute will be sent to the District Board of Directors for resolution. Each party will submit its written proposal on all issues to the Board. The Board may take such action to resolve the impasse as it deems appropriate to the public interest. Any action taken by the Board to resolve the impasse will be final and binding.

ARTICLE 43. - SEVERABILITY

- 43.1. Notwithstanding any other provisions in this Agreement, in the event that any article, section or subsection of this Agreement will be declared invalid by any court or by any state or federal law or regulation, or should a decision by any court or any state or federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the District, the District and the Group will meet and confer on the affected article, section or subsection. In such event, all other articles, sections or subsections of this Agreement not affected will continue in full force and

effect.

ARTICLE 44. - UNIFORMS

- 44.1. The District will provide and maintain ten (10) uniform pants and shirts, which may include the name of the employee and District seal, at no cost to employees whose duties require that they wear uniforms. The District will also provide lab coats as required by the lab manager.
- 44.2. All employees who are issued uniforms must wear them during the performance of their regular duties. Other clothing appropriate to the occasion, as determined by District management, may be worn when attending business meetings. Failure to wear required clothing, shoes and safety equipment may be cause for disciplinary action.

ARTICLE 45. - SUBSTANCE ABUSE POLICY

- 45.1. The District's Substance Abuse Policy will apply to all Group members. The District and the Group agree to meet and confer for any proposed revisions to the policy. The District may adopt or implement rules, regulations and policies to be in compliance with federal and state laws. In such cases, notification will be provided to the Group prior to implementation.
- 45.2. Department of Transportation (DOT) Regulations
 - 45.2.1. Every driver who operates a commercial motor vehicle in interstate or intrastate commerce, and is subject to the commercial driver's license requirements of the Department of Transportation, Federal Highway Administration CFR Part 382 is subject to the District's Anti-Drug and Alcohol Program. The District will ensure that all alcohol or controlled substances testing conducted under the Substance Abuse and Alcohol Misuse Plan complies with the procedures set forth in CFR Part 40.
- 45.3. District's Substance Abuse Policy:
 - 45.3.1. Any employee may be subject to discipline, up to and including termination, for any alcohol screen test that indicates an alcohol concentration level of 0.02% or greater.

ARTICLE 46. – DUES DEDUCTIONS

- 46.1. At monthly orientation meetings for new employees, a Group informational packet will be provided to those employees holding Group-represented positions. The informational packet will include Group contact information, a Group Payroll Deduction Authorization Form, and a transmittal indicating:
 - 46.1.1. Management representatives will not encourage or discourage Group membership participation;
 - 46.1.2. The employee belongs to a classification represented by the Group;
 - 46.1.3. The Group is the exclusive recognized employee organization for all employees in the Group; and
 - 46.1.4. The employee may complete the Group Payroll Deduction Authorization

Form and submit it to the Human Resources Department if he/she would like to join the group.

- 46.2. The District will deduct from each regular paycheck and remit to Group the dues, initiation fees and assessments for each employee who voluntarily authorizes such deduction in writing. Such authorizations must be filed by the end of the pay period prior to the period for which the deduction is requested.
- 46.3. The District will provide the Group a quarterly list of the names of those employees for whom it has made deductions. In addition, the District will provide the names of new employees and the names of employees who have terminated within the reporting period.

ARTICLE 47. – MAINTENANCE OF MEMBERSHIP

- 47.1. All employees who are members of the Group, or who become members of the Group, shall remain members of the Group, except that any employee may withdraw his/her membership by written notice to the Group and the District during the ten day period between ninety (90) and one hundred (100) days preceding the expiration of this agreement.

ARTICLE 48. – PEACEFUL RESOLUTION OF DISPUTES
