

Orange County Sanitation District

# Newport Blvd. District 6 Sewer Project

## Construction Update: February 2018

PROJECT SCHEDULED TO BE COMPLETE MAY 2018

This project will replace an existing regional sewer pipeline with a larger sewer pipeline to increase the sewer flow capacity and reduce the risk of spills.

Thank you for your continued patience and understanding. We appreciate your support.

-  Current Construction Areas
-  Upcoming Construction Areas
-  Temporary Road Closure
